VOLUME I: INSTRUCTIONS TO BIDDERS (ITB) & CONTRACT CONDITIONS

SECTION 1 ? GENERAL INSTRUCTIONS & SCOPE OF CONTRACT

1.1 Scope of Bid:
AGICL issues this Standard Bidding Document for turnkey engineering, procurement, installation, testing and commissioning of comprehensive Building Services (MEP, HVAC, Fire Fighting, Electrical, ELV, and Public Health Engineering) for the iconic Amaravati Legislative Assembly building located in Super Block E of the Capital City Government Complex.

1.2 Source of Funds:
The infrastructure works are funded under the Capital City Development Infrastructure Program (CIIP) allocated in the Government of Andhra Pradesh State Budget 2026-27.

1.3 Statutory Compliance & Standards:
The contractor must execute all works in strict conformity with:
? National Building Code of India (NBC 2016)
? Indian Electricity Rules 1956 & Central Electricity Authority Regulations
? ASHRAE 90.1 & Energy Conservation Building Code (ECBC) for HVAC performance
? NFPA 13, 14, 20 & 72 for Fire Protection and Alarm Systems
? GRIHA 5-Star / IGBC Platinum Green Building benchmarks
? Relevant Bureau of Indian Standards (IS Codes) as specified in Technical Volumes.

SECTION 2 · GENERAL CONDITIONS OF CONTRACT (GCC)

2.1 Performance Security (Bank Guarantee):
Within 14 (fourteen) calendar days of receiving the Letter of Acceptance (LoA), the successful contractor shall furnish an unconditional, irrevocable Bank Guarantee for 5% of the total accepted contract value from a Nationalized or Scheduled Commercial Bank in India, valid through the construction duration plus Defect Liability Period (DLP) plus 60 days.

2.2 Mobilization Advance:
An interest-bearing mobilization advance of up to 10% of contract value may be released against submission of an equivalent unconditional Bank Guarantee, recoverable in equal installments from running account (RA) bills.

2.3 Liquidated Damages for Delay:
If the contractor fails to achieve defined contractual project milestones within the stipulated duration, liquidated damages shall be levied at 0.1% of contract price per day of delay, up to a maximum aggregate ceiling of 10% of total contract value.

2.4 Retention Money:
A retention deduction of 7.5% shall be made from each interim RA bill. 50% of retained money shall be released upon issuance of the Final Practical Completion Certificate; the remaining 50% upon expiry of the 36-month DLP.

SECTION 3 · SPECIAL CONDITIONS OF CONTRACT (SCC) FOR ASSEMBLY COMPLEX

3.1 Iconic Assembly Complex Coordination Protocols:
The Legislative Assembly building is a VVIP architectural landmark with intricate spatial geometry and strict security protocols:
? BIM Level 2 LOD 400 Coordination Model: The MEP contractor must develop and maintain a fully clash-detected 3D BIM model coordinating all MEP services with structural and architectural elements before executing shop drawings.
? Acoustic Isolation: All HVAC chillers, AHUs, primary pumps, and cooling towers must be isolated on anti-vibration spring hangers and inertia blocks to achieve NC-25 in Legislative Assembly Chambers and NC-30 in Committee Rooms.
? Redundancy (N+1 Configuration): Critical life safety, legislative broadcasting, data center UPS power, and chamber cooling must feature full N+1 redundancy with automatic failover within 10 milliseconds.
? Clean Agent Fire Suppression: VVIP Assembly Chambers, Archives, and High-Density Server Rooms shall be protected by FK-5-1-12 (Novec 1230) clean agent total flooding suppression systems with zero ozone depletion potential.
