22/10/26

Superintending Engineer (Gen-I)

SECTION-I: QUALIFICATION REQUIREMENTS & SPECIAL INSTRUCTIONS

APGENCO or CORPORATION or PURCHASER: shall mean **Andhra Pradesh Power Generation Corporation Ltd.**, (a Govt. of A.P Undertaking), a company incorporated in India under the Companies Act 1956, having its Regd. Office at Vidyut Soudha, Vijayawada–520 004, (Andhra Pradesh).

SUPPLIER or CONTRACTOR or VENDOR or SUCCESSFUL BIDDER: shall mean the Bidder on whom LOI/PO is issued against this Tender Specification.

Unless otherwise specified QC shall mean APGENCO Quality Control.

1.0 APGENCO's standard terms & conditions are stipulated in the **Sections-III&IV. *Requirements specific to this tender are stipulated in the remaining sections and these will take precedence over the standard terms, in case of any ambiguity.***

2.0 **QUALIFICATION REQUIREMENTS (QR)**

2.1 The bidder should fulfill the following requirements for qualifying in pre-qualification bid.

(a)	1. The bidder should have **successfully supplied, Erected and Commissioned equivalent** VSI VFD **drive (6.6 KV or above) with a capacity of 2000 KVA & above, in a Thermal Power Plant (minimum unit capacity of 210 MW) or heavy process industry at least once during the last Six years prior to date of publishing of this tender.** The bidder shall furnish **satisfactory performance certificates for a minimum period of 12 months,** issued by the PO issuing Authority as evidence of successful execution of similar works/services, clearly showing the details like date, Firm Names, description of ordered items, order value etc. **along with relevant Purchase Order/Contract Agreement executed.**
(b)	**The Bidder Should have manufacturing Unit in India and shall submit a proof for the same**
(c)	**Average Annual financial turnover of the bidder during the last 3 years (FY/AY) should be more than Rs.29 Cr.**
(d)	**Solvency Certificate for Rs.10 Crore from any Nationalized/ Scheduled bank issued on or after 01.04.2026 (or) the net worth certificate issued by a Chartered account in lieu of solvency certificate, showing that the net worth of the bidder as of 31.03.2026 is positive.**
(e)	**Earnest Money Deposit (EMD) for requisite amount, shall be furnished.**

2.2 Not withstanding anything stated above, APGENCO reserves the right to assess the tenderer's capability to execute the contract, should the circumstances warrant such assessment in the Overall interest of APGENCO. In respect of Qualification of the tenderers, *the decision of APGENCO is final.*

3.0 **DOCUMENTS TO BE UPLOADED:**

Copies of the following, in compliance with the qualification requirements stipulated in S.No.(2.0) above, must be submitted.

- Earnest Money Deposit (EMD) for requisite amount.
- Audited profit& loss Statement, Net worth Statement, Audited Balance sheet etc for the last Three Financial years shall be furnished. In case audited results for the last financial year are not available, certification of financial statement from practicing Chartered Accountant shall be acceptable.
- *Copies of Purchase Orders/Agreements,* **Performance certificate(s) executed in last 6 years.**
- **All stipulated Bid Schedules (as per the enclosed formats), duly filled in, signed & stamped along with supporting documentation.**
- Copies of PAN along with latest IT returns filed, EPF, ESI.
- The Bidder will apply for and obtain the license from the Labour Department/authorities of the Andhra Pradesh State Government within

one month of award of work, the details of which shall be furnished by the Bidder.

The bidders shall invariably upload scanned copies of all the above documents (which are mandatory, to ascertain compliance with the qualification criteria). Failure of submission/ uploading of any one of the above documents, will be liable for DISQUALIFICATION of bid. Moreover, responsibility for correctness of the information submitted in the bid lies with bidder. If any information furnished in the bid is proved to be false at a later date, the bid will not only be rejected but also the bidder will be BLACKLISTED.

4.0 Tenders received from those bidders not having PEMD Approval Letter and DD&BG /EMD exemption letter issued by CE(Gen) of APGENCO for this tender /DD/DD&BG, past experience, financial capability, sufficient field organization etc., will not be considered.

5.0 **EARNEST MONEY DEPOSIT (EMD):**

5.4 *Waiver in respect of SSI Units:*

The firms registered with NSIC/SSI **shall only apply and can obtain exemption from payment of EMD for each tender before quoting.** The exemption of EMD shall be considered on case to case basis in respect of NSIC/SSI subject to the following conditions.

(i) The bidder shall submit a **NOTARIZED copy of the valid certificate of registration** either with NSIC or Government of Andhra Pradesh indicating details such as Monetary Limit, details of items covered in the registration, validity period of certificate etc.

(ii) The items offered must be in the list of items for which the firm is registered.

(iii) ***The quoted price shall be less than the monetary limit stipulated in the registration Certificate unless otherwise the Certificate issuing Authority has clearly mentioned in the Certificate as "Exempted from deposit of Earnest Money irrespective of value of Monetary Limit".***

Note: The BIDDERS who fulfill the above conditions apply for EMD exemption, in advance to this Office and *they shall obtain approval before Offer submission itself and upload the same with bid submission. However, please note that exemption will be issued purely at APGENCO's discretion*.

5.5 All the bidders shall invariably upload the scanned copies of online payment transaction &Bank Guarantee/Surety bond towards EMD or online payment receipt & Bank Guarantee/ Surety bond and PEMD approval letter/ EMD exemption letter (if applicable), along with the Bid, in APGENCO's e-procurement platform, failing which their offer shall be liable for rejection.

5.6 For further details refer clause (1) of General terms & conditions (SECTION-III).

5.7 EMD of successful bidder shall be returned after acceptance of order and furnishing of Security Deposit, if provided in the purchase order.

6.0 PRICES:

6.1 The quoted prices shall be FIRM, till the complete execution of the contract. The prices quoted (excluding GST) is strictly on a F.O.R Destination basis. The price is fully inclusive of all supply-side overheads (Packing, Forwarding, Inspection, Freight, and Transit Insurance to site, Loading, Unloading, and Secure On-site Custody) and all service-side overheads (Labor wages, supervision, tools, tackles, consumables, structural steel fabrication, temporary works, EPF, ESI).

Price Variation will not be accepted in any case.

The rates quoted in E-Procurement web site will be inclusive of all charges, taxes & duties and exclusive of GST.

GST % shall be indicated in the Terms & Conditions Schedule. If not mentioned the same will be considered as 18% on the lumpsum price quoted.

6.2 ***PER DAY rates will not be accepted in respect of On-Site works/services.*** Detailed Bill of Materials, shall be furnished, wherever applicable.

6.3 The Quantities indicated in this Tender are indicative. APGENCO reserves the right to vary the Final Order Quantities *(either increase or decrease)*, even beyond the limits indicated in the Standard Terms & Conditions stipulated elsewhere in this Specification. *However, the Prices shall remain Firm, irrespective of the Ordered quantities.*

6.4 **Bidders shall quote for all items of supply/services, covered under the scope of this Tender, and ensure completeness of their offer as per tender requirements. Otherwise, Bidder's Offer will be deemed to be incomplete/unresponsive and will be liable to be rejected.**

6.5 ***Taxes/Duties***:

6.5.1 It is the responsibility of the Bidder, to ascertain and ensure the various taxes/duties etc levied by Central/State Governments, Local Bodies etc, duly taking into consideration the nature of activity covered in the scope of this Tender Specification.

6.5.2 All taxes/duties, charges etc, as applicable on the date of submission of the Bid, must be indicated without fail. Except for those price components ie., taxes/duties & charges, which are explicitly indicated in the offer, all others shall be deemed to be to the Bidder's account only.

6.5.3 All taxes/duties/levies, will be reimbursed at actuals, subject to the conditions stipulated in this tender specification.

6.5.4 Works Contract Tax (if applicable), Income Tax etc, will be deducted at source, as per the statutory requirements in force.

7.0 FREIGHT & TRANSIT INSURANCE:

7.1 The Successful Bidder shall be completely responsible for handing over the consignment(s) covered within the scope of this Tender Specification, at site, in good condition.

7.2 The Supplier shall make his own arrangements for transporting the consignment upto site, duly ensuring that the consignment is adequately insured, to cover any

and all risks during its transport, until it is delivered at Site. **Charges for the same shall be borne by the Supplier.**

7.3 **Loading & Unloading**:
Loading of the material at firm's factory and unloading the same at power station end, shall be under Supplier's scope only, at their cost.

8.0 **PRE-DESPATCH INSPECTION (PDI):**

8.1 The materials shall be offered for *Pre-Despatch Inspection* by the representatives of APGENCO at the SUPPLIER's Works, as per the QAP/MQP approved by the **SE/ QualityControl/ 5th Floor/APGENCO/ Vidyut soudha/Vijayawada (i.e. Quality Control wing), Ph:0866-2526950, email:qc.se@apgenco.gov.in**, for compliance with the requirements of this Order.

8.2 **APGENCO's Inspection:** The authorized representatives of APGENCO shall, at all reasonable times, have the right of access to the SUPPLIER's as well as their Sub-contractor's Works, to monitor the progress of manufacture and to assess compliance with the Specifications stipulated. An advance notice of at least 15 days shall be given for deputing APGENCO's representative, for carrying out inspection.

8.3 **Inspection Waiver:** SE (QC) may, at their discretion, waive the Pre-despatch inspection for the entire Scope of Supply or part thereof.

8.4 **Despatch Clearance**: The MATERIALS shall be dispatched only after satisfactory Pre-Despatch Inspection as detailed above or waiver thereof, and on receipt of issuance of MDCC by SE/QC, to despatch the materials.

9.0 DELIVERY/COMPLETION:

a. Material Portion:

Delivery is the essence of Contract, and is subject to APGENCO's standard PENALTY Condition. ***The Delivery period for the material portion of the contract is 6 months, which shall take the following into consideration.***

(I) All the activities (such as the following) which are in the scope of the SUPPLIER, shall be completed within this period.

(i) Submission of QAP/MQP (reckoned from the date of issue of Letter of Intent/PO, whichever is earlier).

(ii) Giving inspection call after completion of manufacturing (reckoned from the date of issue of approval for QAP/MQP).

(iii) Dispatch of the materials to site from Ex-works, (reckoned from the date of issue of dispatch clearance, requisite road permits / way bills as applicable etc, whichever is later from APGENCO).

(II) The above delivery period does not include the time taken at APGENCO's end, for providing clarifications (if any) to the Supplier, for issue of requisite approvals, clearances etc, as applicable, at various stages of Order execution, *such as approval of QAP/MQP etc, Completing Pre-dispatch Inspection and approval of Test Certificates and issue of Dispatch Clearance, Road Permits/ Way Bills etc.*

b. Service Portion: The dismantling, erection, testing & commissioning shall be completed within **30 days from** the date of handing over of the site

10.0 PAYMENT TERMS:

10.1.1 ***For SUPPLY Portion:***

70% of the basic price of the materials (inclusive of 100% taxes & duties) received from time to time, will be arranged within 30 days from the date of receipt and acceptance of the MATERIALS at site in good condition. The balanced **30%** payment will be made, within 30 days after satisfactory commissioning of the system.

10.1.2 ***For ON-SITE SERVICES Portion***:

100% of the all-inclusive price of the Services viz., Design, Engineering, Erection & commissioning, Civil works will be made within 30 days after satisfactory commissioning of the system.

10.2 Payment will be made subject to the prior submission & approval of requisite Performance Bank Guarantee(s) etc, and also fulfillment of other contractual

terms such as Test Certificate Approvals etc. Payment will be arranged after duly deducting amounts towards Penalty etc, as applicable.

10.3 In case any excess payment is made to the CONTRACTOR, by mistake OR any amounts are due from the CONTRACTOR to APGENCO for any reason(s), APGENCO reserves the right to recover such monies from the amounts payable to the CONTRACTOR or Bank Guarantees submitted by him, against the Contract resulting out of this specification.

10.4 Any incidental charges, such as bank charges, stamp duties etc, incurred by the CONTRACTOR during the execution of the Contract shall be to the CONTRACTOR's account only.

10.5 Payment will be limited to actual Quantum of work executed and at the unit rates accepted. All Bills/Invoices shall be submitted to the "Chief Engineer (O&M)/Dr.NTTPS", for arranging Payments. Copies shall be submitted to this Office also. No payment will be made for defective works.

10.6 **APGENCO shall not pay any interest** on delayed payment of bills/invoices or any recoveries effected, for whatsoever reasons.

11.0 *SECURITY DEPOSIT (SD):*

11.1 The successful bidder shall furnish Security Deposit equivalent to 2 ½ % of the value of Order within 30 days from the date of issue of purchase order for satisfactory fulfillment of terms of contract. The successful bidder have to submit the security deposit by way of a demand draft in favour of "Pay Officer, APGENCO, Vidyut Soudha, Vijayawada", payable at Vijayawada. Alternatively, SD may be submitted by way of a Bank Guarantee (BG)/Insurance Surety bond. The BG/Insurance Surety bond shall be issued by Scheduled Bank/ Insurance Company as per the IRDAI guide lines, on non-judicial stamp paper(s) of value Rs.100/-, in APGENCO's prescribed proforma and as per stipulated guidelines. Its validity shall cover the contract period with a claim period of 6 months thereafter for satisfactory completion of delivery of the material and execution of the contract. The amount of security deposit shall be forfeited to the extent of financial loss suffered by the Corporation, if the contractor fails to execute the order and fulfill its terms and conditions.

11.2 The SD will be released, on application, after ensuring satisfactory execution of contract, and settlement of any/all pending claims.

12.0 PERFORMANCE BANK GUARANTEE (PBG)

12.1 After awarding the contract/PO/LOI, the bidder, shall furnish Performance Guarantee/Insurance Surety Bond to the extent of 10% of the contract price, with validity covering the Guarantee Period stipulated, and claim period for an additional 6 months thereafter. Its validity shall be extended as and when required for compliance with contractual requirements.

12.2 In lieu of PBG/Insurance Surety Bond, the supplier may opt for deduction/retention of equivalent amount from his invoices. Such retention amount will be released after satisfactory completion of Guarantee Period, or after submission of requisite PBG/Insurance Surety Bond, whichever is earlier.

12.3 PBG/Insurance Surety Bond will be released on firm's request, after satisfactory completion of the Guarantee Period, after ensuring that there are no pending claims.

13.0 PENALTY:

(a) In case of delay in Execution of contract beyond the total contract period, for reasons not attributable to APGENCO, APGENCO may at its option demand and recover from you an amount equivalent to half percent (0.5%) of the value of the pending supplies/works for every week of delay or part there of subject to a maximum of 5% of Total contract value of the order.

(b) For the purpose of calculating penalty, the total period taken by the CONTRACTOR, in excess of the MAXIMUM TOTAL PERIOD permitted as stipulated there in, will be considered.

(c) This right of APGENCO shall be without prejudice to its rights under the law, including the right to cancel the contract, forfeit deposits and recover damages for breach of contract.

14.0 BANK GUARANTEE GUIDELINES:

All applicable Bank Guarantees, viz., EMD/PEMD BG, Security Deposit BG, PBG etc, can be executed by any Government Banks/Nationalized Banks/ Public Sector Bank/ Scheduled Banks. They shall be as per the format(s) and guidelines prescribed by APGENCO, which are enclosed as part of this Tender Document.

All applicable Insurance Surety Bonds shall be executed by any Insurance Company as per the IRDAI guide lines issued. They shall be as per the format(s) and guidelines prescribed by APGENCO, which are enclosed as part of this Tender Document

15.0 RISK PURCHASE:

In case the SUPPLIER fails to execute the Contract as per the stipulated delivery schedule, APGENCO reserves the right to purchase the undelivered quantities from the open market or by floating another tender, and recover the additional expenditure so incurred from the SUPPLIER. This is without prejudice to any/all other rights of APGENCO, as indicated in this Specification

16.0 GUIDELINES TO BIDDERS for participating in "APGENCO's e-procurement" tenders & Submission of Bids:

16.1 Bids are invited, online, on APGENCO e-Procurement Portal, in Two Parts, viz., Part-I or Pre-Qualification Bid (PQB) and Part-II or PRICE BID.

(a) APGENCO reserves its right to respond to any e-mail received by it through their website. APGENCO does not warrant the privacy and/ or security of e-mails during internet transmission.

(b) Bidders should have a legally valid digital certificate as per Indian IT Act from the licensed Certifying Authorities on payment of requisitioned charges. Submission of bids by prospective bidders through e-platform will be subjected to terms and conditions notified on https://apeprocurement.gov.in. Bidders are requested to read these terms and conditions carefully and act accordingly.

(c) Bidders should have requisite internet connectivity, preferably broadband.

(d) Downloading of soft copy of tender documents from web site is at the sole risk and responsibility of the bidder. APGENCO will not be responsible for any delay/difficulty/inaccessibility of the downloading facility for any reason whatsoever.

(e) Bidders shall ensure that they have downloaded the complete set of bid documents and shall be solely responsible for the completeness of bid documents and may note that any omission or lack of clarity in the downloaded copy will not be taken as reason for submission of incomplete offer or will not entitle the bidders to claim for changing of scheduled dates of tender process. In such cases, it will be solely responsibility of bidders to get clarifications from the Tender Inviting Authority before submitting tenders on e-platform within stipulated time for submission of bids.

(f) Amendments/Addendum, if any, will also be posted on web site for downloading. APGENCO will not hold any responsibility of Amendments being or not being kept tracked from time-to-time by the bidders.

(g) APGENCO reserves its right, without prejudice to other rights under terms and conditions of NIT and tender documents or other remedy available, to cancel tenders without assigning any reasons, and will not entertain any correspondence in the matter. APGENCO accepts no liability whatsoever and will not be liable for any loss or damage arising directly or indirectly (including special, incidental or consequential loss or damage) from use of e-procurement web site or from cancellation of tenders.

16.2. Additional Terms and Conditions as regards e-procurement to be incorporated in tender notice/tender documents invited through e-procurement.

1. The bidder who is desirous of participating in tenders invited through e-procurement shall submit his Bid on e-procurement platform at https://apeprocurement.gov.in by following the procedure given below. The bidder is required to register on the e-procurement market place https://.apeprocurement.gov.in or https://tender.apeprocurement.gov.in.
2. Registration with e-procurement platform: For registration and online bid submission bidders may contact HELP DESK of service provider whose details are available at https://apeprocurement.gov.in or https://tender.apeprocurement.gov.in.
3. (a) All the bidders shall invariably upload in e-procurement system the scanned copies of Electronic payment EMD details or reference approved letter of PEMD deposited with APGENCO as case may be, Certificates/ Documents in support of eligibility criteria as mentioned in NIT/Tender documents and this will be the primary requirement to consider the bid responsive.

(b) The department will carry out the technical evaluation solely based on the uploaded certificates/documents, Electronic payment EMD details or reference approved letter of PEMD deposited with APGENCO in the e-procurement system.

(c) The department will notify the successful bidder for submission of original hard copies of all the uploaded documents, Electronic payment EMD details prior to tenders being processed for release of purchase order/LOI allowing successful bidders 5/10 days time considering actual time requirement from date of opening of bids to submit original hardcopies of all the uploaded documents.

(d) The successful bidder shall invariably furnish the original certificates/ documents of the uploaded scan copies, Electronic payment EMD details or reference approved letter of PEMD deposited with APGENCO as case may be to the Tender Inviting Authority before release of LOI/release of Purchase Order as case may be either personally or through courier or by post. The sending of the same within the stipulated date shall be the responsibility of the successful bidder. The department will not take any responsibility for any delay in receipt/non-receipt of original certificates/documents, EMD details, Certificates/ documents from the successful bidder before the stipulated time. On receipt of documents, the department shall ensure the genuinely of the all other certificates/ documents uploaded by the bidder in e-procurement system in support of the qualification criteria before bids are processed for release of purchase order/sale order/Intending of LOI as case may be.

(e) If any successful bidders fails to submit the original hard copies of uploaded certificates/documents, Electronic payment EMD details or reference letter of PEMD deposited with APGENCO within stipulated time or if any variation is noticed between the uploaded documents and the hardcopies submitted by the bidder, the successful bidder will be suspended from participating in the tenders on e-procurement platform for a period of 3 years. The e-procurement system would deactivate the user ID of such defaulting bidder based on the trigger/ recommendation by the Tender Inviting Authority in the system. Besides this, the department shall invoke all processes of law including criminal prosecution of such defaulting bidder as an act of extreme deterrence to avoid delays in the tender process for specified work/materials. The bidder is requested to get a confirmed acknowledgement from the Tender Inviting Authority a proof of Hardcopies submission to avoid any discrepancy.

16.4 **Payment of Transaction Fee**: It is mandatory for all the participant bidders from 1st January 2006 to electronically pay a Non-refundable Transaction fee to service provider authorized by Govt of AP at 0.03% of estimate value or quoted value (ECV/QV) + GST+ Bank charges for transaction as applicable, with a cap of Rs.10,000/- (Exclusive of GST) for quoted value up to Rs.50.00 Crores and Rs.25,000/- (Exclusive of GST) for quoted value above Rs.50.00 Crores or amount as fixed by Govt. of AP, Currently, as per G.O.Ms.13 dated 07-05-2006, the above mentioned the transaction fee shall be paid through "payment Gateway Service on E-Procurement platform". The Electronic Payment Gateway accepts

all Master and Visa Credit Cards issued by any bank and Direct Debit facility/Net Banking of ICICI Bank, HDFC, Axis Bank to facilitate the transaction.

16.5 **Corpus Fund**: As specified in the E-tender platform the successful contractor shall pay 0.04% of the ECV (Estimate contract value) before entering into agreement/within 15 days after issue of purchase orders/release of sale order. There shall not be any charges towards e-procurement fund in case of works, goods and services with ECV/QV less than and up to Rs.10.00 Lakhs.

16.6 **Bid Submission on e-procurement and unique acknowledgement**: The bidder shall complete all the process and steps required for Bid submission following instructions for bidders responding to e-tenders at website. The system will generate an acknowledgement with a unique bid submission number after completing all the prescribed steps and processes by the bidder after submission of bids on e-procurement platform. The bidders shall be instructed in NIT/Tender documents to note that the bids for which and acknowledgement is not generated by the e-procurement system are treated as invalid of not saved in the system. Such invalid bids are not made available to the Tender Inviting Authority for processing the bids. The APGENCO or service provider is not responsible for incomplete bid submission by bidders.

16.7 Quoting of tenders

i. Before quoting the tender, the tenderer shall read and understand all the terms & conditions, nature of the work and scope of the work thoroughly.
ii. The tenderer should work out their own rates, with reference being made to the Departmental current schedule of rates or the estimate rates mentioned in the schedule for executing the subject work as per the schedule and Scope of work mentioned.
iii. Overheads/Expenses involved in the preparation and submission of the tender should not be claimed and it cannot be acceptable.
iv. The tenderer has to quote either +/- % on ECV or item wise rates as sought in the tender schedule.
v. In case the estimated rates for each item are furnished in the Bill of quantities, the tenderer has to furnish his overall Percentage (%) either '+' or '-' i.e. excess or less on ECV value/item wise rates as applicable. The excess or less tender percentage quoted by the bidder will be applied uniformly on the estimated rates of all the items in order to deduce unit rates for the items while preparing agreement/issuing Purchase Order. As such, the tenderer need not indicate individual item rates for each and every item listed in the schedule.
vi. In case the rates are not furnished in Bill of quantities, the tenderer has to quote item wise rates.
vii. The bidder should work out overall percentage carefully which can be either '+' or '-' i.e., excess or less on ECV. However, bidders who wish to change their offer already submitted can do, before closing date & time for submission of bids.

16.8 Price Bid shall not be uploaded along with the PQB.

The information / documentary evidence regarding performance certificate, PO copies and Solvency Certificates shall be furnished invariably by the bidder as per Tender Specification requirements. The evaluation of the bids will be carried out as per the uploaded/ furnished information only.

17.0 **Opening of Tenders**:

17.1 ***Part-I i.e., 'Pre-qualification Bid'*** or ***PQB,*** will be opened ONLINE, at the place indicated on the date & time.

17.2 Only those tenders which contain full information and comply with the requirements regarding technical and financial requirements etc, will qualify for opening of ***Part-II: 'Price Bid'***.

17.3 It is the responsibility of the Bidder to ensure that the PRICE BID, is completely in line with the PQB. In case the terms indicated in Part-II are found to be different from those indicated in Part-I, APGENCO reserves the right to either consider the terms more favorable to APGENCO, or to reject the Bid, outright.

17.4 Bidders are requested to ensure that they do not upload Part-II (i.e. Price Bid) along with Part-I (i.e., Pre-Qualification/Technical Bid). Otherwise, APGENCO reserves the right to disqualify those Bidders, whose PQBs are found to contain Price Bids.

18.0 **DISCLAIMER:**

18.1 This Tender Specification, and any subsequent addendum/corrigendum etc, will be made available on APGENCO e-procurement portal, and can be downloaded free of cost. The Bidders shall be solely responsible, for ensuring that their Bids are completely in line with the requirements stipulated therein.

18.2 The Specifications stipulated in these documents, are indicative only. It is the responsibility of the Bidders to ensure correctness of the same. If necessary, they may depute their representatives to Site, to collect all necessary particulars etc.

18.3 Any discrepancies in the requirements stipulated in these documents, shall be brought to the notice of the undersigned, and clarifications shall be obtained prior to submission of Offer itself. *Bidders are advised not to make any assumptions or inferences, on their own.*

18.4 Notwithstanding anything stated above, APGENCO reserves the right to assess the tenderers' capability to execute the contract, should the circumstances warrant such assessment in the Overall interest of APGENCO. In respect of Qualification of the tenderers, *the decision of APGENCO is final.*

18.5 APGENCO reserves the right to split the order on more than one bidder, in any manner or reject any or all tenders without assigning any reason.

18.6 ***Rejection of Tenders***: The tender will be liable for rejection if it is,

(a) Not confirming to the Tender specification.
(b) Not accompanied by the requisite EMD/EMD exemption letter.
(c) From a firm or contractor, black listed by any Govt Organization/PSU.
(d) Incomplete and Evasive.

18.7 ***APGENCO reserves the right,***

(a) To cancel the tender
(b) Not to accept the lowest or any tender.
(c) To divide/split and award the contract to one or more contractors if necessary
(d) To revise quantities/schedule of any or all the items covered by this specification while placing orders.
(e) To reject/cancel any or all the tenders at any stage without assigning any reason.
(f) To relax/waive any of the conditions stipulated in the Tender specification as deemed necessary in the interest of the organization.

19.0 ***LOSS OR DAMAGE*:**

19.1 External damages, on account of defective/inadequate packing, or shortages, if any, will be intimated to the supplier, within One month from the date of receipt of the materials at site.

19.2 Internal defects, damages or shortages of any integral parts which cannot ordinarily be detected on a superficial visual examination, will be intimated within TWO MONTHS from the date of receipt of materials at site.

19.3 In either case, the defective or damaged items shall be replaced and the shortages shall be made good by the supplier, free of cost, within a reasonable period irrespective of settlement of Insurance Claims, if any.

20.0 ***NEGLIGENCE & DEFAULT***:

The SUPPLIER shall execute the Order with due diligence & expedition and in compliance with any reasonable instructions given, either by CE(Generation) or the concerned station CHIEF ENGINEER(s,) in writing, in connection with the Purchase Order. In case of any Negligence on the part of the SUPPLIER to comply

with the same, the CHIEF ENGINEER (GENERATION/Dr.NTTPS) may give 21 days notice, in writing, to the SUPPLIER, to make good any such failure or neglect or contravene. If the SUPPLIER fails to comply with the notice within the time considered to be reasonable by this Office, he may be black-listed and all business dealings with him may be suspended for a specific period, apart from forfeiture of security deposits etc.

21.0 TERMINATION OF CONTRACT:

21.1 The contract is liable to be terminated by the Corporation at any time during the currency of the contract, giving a week's notice, in case the performance or progress of the contractor is not satisfactory. This contract is liable for termination at any stage in the event of any change in the Corporation's policy on the contract.

22/10/26

Superintending Engineer (Gen-I)

SECTION-II: TECHNICAL SPECIFICATIONS & REQUIREMENTS

1.0 PROJECT LOCATION:

1.1 **Dr. Narla Tatarao Thermal Power Plant** i.e., Dr. NTTPS is located at Ibrahimpatnam, NTR(Dist), Andhra Pradesh.

2.0 PREAMBLE :

The 210MW units of Stage-II&III of Dr.NTTPS and these Equipments are required for upgradation of the existing VFD system of ID fans for better operational performance, and lower the auxiliary power consumption.

3.0 SCOPE OF OFFER:

Dr.NTTPS-Stage-II&III- I&C&EM&MRT-R&M- Design, Supply, Erection, Testing & Commissioning of 6.6 KV MV VSI VFD system along with 6.6 KV VSI Induction Motors duly dismantling the existing LCI type synchronous motor drives for 2 Nos ID Fans of Unit-4/Stage-II and 4 Nos ID Fans of Units-5&6 of Stage-III/Dr.NTTPS. as detailed below.

S.No	Description	Qty
1	Medium Voltage(6.6KV) Voltage Source Inverter VFD drive Units with cell bypass feature which includes dry type transformer, Inverter Cells / Modules & Control cabinet along with 6.6KV, 1600KW-1800KW Induction motor, Power cables, HT switchgear panel which includes input VCB & Output isolator etc., suitable for replacement of existing LCI VFD systems & 1368KW, 710rpm Synchronous Motors of ID fans A & B in Unit-4,5&6 of Dr.NTTPS including mandatory spares (3 sets).	6 Nos
2	Dismantling the existing system, erection, installation, testing & Commissioning of new VFD system	6 Nos

Note: : 1) The firm shall visit the site before submission of the bid and collect all the required information. The motor rating shall be confirmed based on the drive requirements, and the offer shall be submitted accordingly.
2) In case of any clarification regarding Technical Specifications or any requirements, Engineer - in- Charge at email: **nttps.deem2@apgenco.gov.in; nttps.seom2 @apgenco.gov.in**; nttps.deic3@ apgenco.gov.in & nttps.seom3 @ apgenco.gov.in may please be contacted.

4. TECHNICAL SPECIFICATION:
Material Description:

- Medium Voltage (6.6KV) Voltage Source Inverter VFD Unit having cascaded H Bridge topology with advanced cell bypass feature of (n+1) redundancy.
- This VFD unit includes dry type transformer, Power Cells / Modules, Control cabinet, Laptop for communication
- 6.6KV, 1600KW-1800KW, 8-pole Squirrel cage Induction motor.
- Power cables (6.6KV) (Aluminum XLPE) with suitable rating - Input cables from unit side 6.6KV Switchgear board to VFD room & Output cables from VFD room to Motor location.
- Copper Control cables from VFD room to LCR room.
- HT switchgear panel which includes input VCB & Output isolator etc., at VFD room

I. DETAILED SPECIFICATION of the NEW VFD SYSTEM:

1. Drive:

Input Voltage	6,600V
Input frequency	50Hz
Output Voltage	6,600V (variable)
Output Frequency	0.5 to 50Hz
Rated Capacity	2000KVA to 2200KVA
Drive type	Forced Air cooled Medium Voltage drive system with multiple IGBT PWM switching, 36 pulse, voltage source inverters in Cascaded H Bridge topology
% THD (Voltage)	< 5% as per the IEEE 519/2022
Current Distortion Limit (Isc / IL)	< 20
Degree of protection	**IP55**
Efficiency	>96%
Power Factor	>0.95
Standards:	IEC EN 61800 , IEC EN 60146-1, IEC EN 60204

2. Dry Type Transformer:

Design	Converter Transformer
Type	Dry (VPI Type)
Duty	Continuous duty
Primary Voltage rating	6.6KV+ 5% star
Secondary Voltage rating	18 X 650V Delta, multiple windings suitable for 36 pulse reaction
Power rating	2000KVA to 2200KVA capacity
No. of Phases	3
Rated Frequency	50Hz
Insulation Class	H
Winding	Copper
Cooling Type	Air Forced
Standards:	IEC EN 61378-1, IEC EN 60076

3. Motor specifications:

Motor type	Squirrel cage Induction motor
Rated Capacity	1600 - 1800 KW
Rated Voltage	6.6KV, 3 phase, 50Hz
Rated Speed	745 RPM
No. of poles	8
Insulation class	H
Make	ABB/Siemens/BHEL
Standards	IEC 60034-1, IS 325

4. Vacuum Circuit Breaker Specifications:

Voltage	7200V
Current	1250A
Frequency	50Hz
No. of poles	3
Breaking Capacity	40KA
Making capacity	100KAp
Make	ABB/Siemens/CG
Standards	IEC 62271-200 & IS 13118/1EC 62271-100

5. Mandatory Spares-3 Sets (Each Set consists of):

S.No	Description	Qty
1	Induction motors with same specification as detailed above	1 No
2	Vaccum circuit breaker	1 No
3	HMI-	1 No
4	Inverter cells	2 Nos
5	Laptop, digital Oscilloscope, Clamp Multimeter along with necessary accessories	1 No each
6	Control cards, power modules/cards, communication cards along with OFC cables or any other type of cards installed in the drive	10% of each category cards or minimum one number per each, whichever is higher

6. Scope of Supply:

i. Design of MV VFD, VSI type with cell bypass feature suitable for replacement of existing LCI VFD for 3 sets of ID fans A & B in Unit-4,5&6 of Dr.NTTPS. which includes noting the existing ID fan drive parameters & selecting the suitable model/ rating VFD drives etc.,

ii. Supply of 06 Nos, 6.6KV, Voltage Source Inverter VFD drive Units with cell bypass feature which includes dry type transformer, Inverter Cells / Modules & Control cabinet.

iii. Supply of 06 Nos, 6.6KV, 1600KW- 1800KW, 3 phase, 50Hz, 740-745RPM, Make: ABB / Siemens / BHEL make, Induction motors including motor shaft couplings suitable for existing fan shaft couplings.

iv. Supply of required HT Power cables, control cables, cable termination kits, glands & earthing equipments etc.,

v. Supply of 06 Nos HT Switchgear equipment panels which includes input VCBs & output isolators & control wiring for 3 sets of ID fans A & B in Unit-4,5&6 of Dr.NTTPS.

vi. Supply of 3 set of mandatory spares required for maintaining the new VFD equipment.

vii. Providing drawings, manuals, control logic design, factory Test reports & Laptop etc for each set of ID fan A & B.

viii. Factory acceptance testing, Performance guarantee test shall be carried out in the presence of APGENCO representative before dispatch of the material to Dr.NTTPS site.

II. DETSILS OF THE EXISTING VFD SYSTEM IN STGAE-II&III of Dr.NTTPS:

1. Existing Drive Details:

ID Fan VFD System Type	LCI (Load Commutated Inverter) type
No, of Channels per drive	Dual Channel Type
Rated Input Voltage	6.6KV
Rated Out put Voltage	1.2KV
Electronics Control Panel Type	DS3820LCG
Electronic Cards Type	DS3800 (Directomatic plus Cards)
Power Converters Type	12 pulse Type (Dual Channel Operation) 6 Pulse Type(Single Channel Operation)
No-of Power Converters	04 No. 's for each ID fan Drive system (Two Channels - 1 No. Source Converter & 1 No. Load Converter for each channel)
No. of Reactors per Drive	02 Nos

No-of Rectifier Transformers per Drive	02 No.

2. Existing ID Fan Motor Name Plate details:

Motor Type	Synchronous Motor	
Make	BHEL/ Siemens	
	Dual Channel	Single Channel
Power Rating	1368 KW	857KW
Stator Voltage	2x1200V	1 x 1200V
Stator Current	2x380A	1x475A
Phase	2x 3phase	1 x3phase
Power Factor	0.9 lead	0.93 lead
Frequency	47.3 HZ	40.7 Hz
Speed	710 rpm	610RPM
Excitation Voltage	200V	210V
Excitation Amps	34A	30A

1. Rectifier Transformer Name Plate details:

Transformer Type	Dry type Rectifier Duty
Power Rating	1400KVA
Rated HV Voltage	6.6KV
Rated LV Voltage	1300V
Rated HV current	122.5A
Rated LV Current	622A
Frequency	50Hz
Impedance Volts	10 %
Vector Group	Dd0 (Channel-I) Dyn 11 (Channel-2)

2. DC Link Inductor Name plate details:

Type	Indoor, Dry type, Convection-cooled Air core
Current rating	825A DC Continuous
Inductance	6.5mH
Power loss	18.5KW at rated load & 110^{0}C

3. Coupling details:

Type	HOLSET PM 90
Inside Dia	213mm (Max)
Outside Dia	638mm
Length	426mm
Rated Torque	30,000 N-m
Maximum Torque	90,000 N-m
Rated speed	750rpm
Maximum Speed	1030 rpm
Stiffness	0.007 N-m/radian
Inertia	15.015 Kg-m2
Weight	395 Kg

4. Induced Draft Fan Name plate details

Fan Type	ND ZV 31 SIDOR (ND— Radial, ZV: Double suction supply supported fan)
Rated speed	710 rpm
Rated Power	1600KW

Rated Voltage	6,600V
Max. Temp	150°c
Make	BHEL

7. SYSTEM PARAMETERS.

A. **Speed Characteristic**: 20% to 100% of rated speed i.e.. 142 RPM to 710 RPM

B. **Acceleration rate:**

0% to 10% of speed : 0.5% rpm / sec

10% to 100% of speed : 1.0% rpm / sec

C. **Decelaration rate:**

100% to 10% of speed : 1.0% rpm / sec

10% to 0% of speed : 0.5% rpm / sec

D. **Torque requirements:**

Typical fan speed-Torque characteristic applies

Maximum (test block) Torque: : 1380Kg-m at 740rpm

Maximum Continuous operating Torque : 1006 Kg-m at 715rpm

Starting(breakaway) Torque : 138 Kg-m

E. **Drive Inertia:**

Fan rotor GD^2 : 32,000 Kg-m2

Motor rotor GD^2 : 1284 Kg-m2

Total GD^2 : 33,284 Kg-m2

III. DISMANTLING, ERECTION, INSTALLATION, TESTING AND COMMISSIONING

The supplier shall carry out complete dismantling of the existing system and installation and commissioning of the new VSI VFD system.

The scope shall include the following:

i. Dismantling & removal of existing LCI panels, synchronous motors (6 Nos), connecting Cables & scrap materials etc., from respective Unit ID fan VFD location.

ii. Modification of foundation for new panels erection, cable trench work, panel vent duct ceiling and miscellaneous civil works etc.

iii. Transportation of VFD panels, HT switchgear panels etc, from Stores location to respective ID fan locations including loading & unloading.

iv. Erection of new VFD panels for 3 sets of ID fan A & B in respective Unit VFD room.

v. Erection of new induction motors on respective ID fan-A & B bed including bed modification works & all civil works, alignment with driven equipment and matching couplings to fan shaft & motor shaft etc.

vi. Providing separate electronic earthings for all 3 sets of ID fan A & ID fan B VFD#s.

vii. Erection, testing & commissioning of new HT Switch gear equipment to all 3 sets of ID fan A & B at VFD room.

viii. Laying of new HT cables from "O" mtrs, 6.6KV, switchgear board to VFD room new HT switchgear, internal VFD cabling & from VFD room to motors location including cable termination, glanding, lugging etc. for all 3 sets.

ix. Laying of control cables from VFD room to I&C control room. including cable termination, glanding, lugging etc for all 3sets.

x. Complete testing & commissioning of new VFD#s for 3 sets of ID fan A & B including parameter tuning, no load trial run & load run etc.,

xi. Transport, Handling of equipment at site including escort services, T&P etc., are in contractors scope only.

xii. The supplier shall be responsible for engineering and providing all materials, equipments and services specified or otherwise, which are required to fulfil the intent of ensuring operability. maintainability, completeness and reliability of the total work covered under this specification within the quoted price.

IV. STANDARDS AND CODES:

- The design manufacture, inspection. testing and installation of the VFD System under this specification shall conform to the latest editions of codes and standards mentioned below and all other applicable IEC, IEEE, NEMA, ISO, ANSI, UL, OSHA, Indian standards and national, international safety standards.
- Drive shall be manufactured by the MV VFD supplier at its own facility which has a quality assurance program that is certified in conformance with ISO Standard 9001.
- The VFD drive and associated equipment. Induction motors shall comply with, but not limited to, the following specific standards.
  1. NEMA - ICS1, IS15296: Industrial Control and Systems: General Requirements.
  2. IEC 62271-200: Standards for Medium Voltage Controllers.
  3. ANSI/IEEE C57.18.10: Standard practices and Requirements for Semiconductor power Rectifier Transformers.
  4. IEEE Std 519 - 2014: IEEE Recommended Practice and Requirements for Harmonic Control in Electric Power Systems.
  5. NEMA - ICS6, IEC 60529 : Standard for Industrial Control and System Enclosures.
  6. ISO 13849-1: safety aspects of VFD.
  7. IS 15880: Three Phase Cage Induction Motors when Fed from IGBT Converters - Application Guide.
  8. IS 15881: Three Phase Cage Induction Motors Specifically Designed for IGBT Converter Supply - Specification.
  9. IS 732; Code of Practice for Electrical Wiring Installations.
  10. IEC 61800-3, 61000-6: EMC standards.
  11. IEC 61800 -4: Adjustable Speed Electrical Power Drive Systems - Part 4 General Requirements- Rating Specifications for a.c. Power Drive Systems above 1000 V a.c. and not Exceeding 35 kv.
  12. IEC 61800-5-Section 1: Adjustable Speed Electrical Power Drive Systems - part 5 Safety Requirements - Section 1 Electrical, thermal and energy.
  13. IEC 61800-5-section 2 : Adjustable Speed Electrical power Drive Systems - Part 5 Safety Requirements - Section 2 Functional.

V. ENVIRONMENTAL CONDITIONS

1. The drive shall be suitable for operation in the following environment: - .Ambient Temperature: -5^0 c (no frost) to 55^{0}c.
2. Relative Humidity: up to 95%. nan-condensing
3. Altitude: 0m to 1000 m (O to 3300 ft.) above sea level, no derating
4. The drive shall be suitable for being transported or stored in an ambient temperature range of -20^0 C to 65^0 C (-4^{0}F to 149^0 F).

VI. CONSTRUCTION REQUIREMENTS

1. The MV drive shall use power cells with high end technology to provide for an output wave form with low harmonic content.
2. The MV drive shall not require any extra motor output filtering

3. The MV drive shall be designed without derating the motor.
4. The drive shall not have any cable length limitations providing the cable voltage drop is less than 3%
5. The drive shall be forced air cooled
6. The MV drive enclosure shall provide Type 1/1EC 61643-11 protection
7. Standard enclosure shall be painted as per RAL colour Scheme/ IS 5
8. The input connection to the drive shall have a minimum basic impulse level (BIL) as following: 60 kV, for primary voltages $\leq$7.2 kVAC. 75 kV, for primary voltages > 7.2 kVAC.
9. The rectifier diodes shall be protected by fuses on all three phases in the event of a Short circuit or prolonged overload. Protection schemes using fuses on two phases is not acceptable
10. DC capacitors shall be incorporated into the inverter power cells to provide a distributed energy storage configuration. Use of centralized energy storage capacitors on the DC link is not allowed. Topologies utilizing centralized energy storage capacitors on the DC link are not acceptable as this practice increases the fault currents, energy, and arc flash potential. The capacitors shall be of dry, self-healing, polypropylene type.
11. Power cells shall utilize conventional 1700 V rated Insulated Gate Bipolar Transistors (IGBT) devices These IGBTs are being produced in volume for low voltage (LV) drive industry with proven high reliability and low failure rates. Inverters that utilize medium voltage (such as 3300 V or 6500 V) IGBTs or highly specialized semiconductors (Such as IGCTS or SGCTS) are not acceptable. These components, with their high FIT (Failure In Time) rate, negatively impact the reliability and availability of the drive.
12. The IGBTs shall be procured from multiple vendors to eliminate any dependency upon a sole Source supplier or vendor
13. The latest in IGBT designs shall be utilized for minimum losses.
14. The inverter assembly shall consist of an inherent arc flash resistant topology, consisting of a distributed energy storage arrangement that intrinsically minimizes fault currents and arc flash potential. Catastrophic inverter faults shall be localized to individual power cell(s). Drives that utilize or rely upon a centralized DC link capacitor bank are not acceptable.
15. Self-healing dry film type capacitors (metalized poly propylene), which do not require reforming. shall be utilized in the inverter power section design. Life expectancy of the main power DC capacitors shall be a minimum of 20 years. Inverters utilizing electrolytic or liquid / oil filled capacitors in the power section are not acceptable. Use of electrolytic bus capacitors negatively impacts the reliability and failure rate of the inverter.
16. upon application of main power, inrush currents to the inverter shall be eliminated by executing a pre-charge of the DC capacitors in the power cells. When the proper DC voltage is attained, the pre- charge circuit shall turn Off.
17. The power cells shall be intelligent and communicate with the main controller via a serial protocol and use Plastic Optical Fiber (POF) cables to provide electrical isolation.
18. A high resistance grounding circuit with detection devices shall be included for protection in the event the load develops a ground leakage current or fault.
19. The drive shall consist of a fully digital and robust modern control platform.
20. Internal communication between the main controller and individual power cells shall be via a serial protocol and use high speed plastic optical fiber.

21. Industry standard field buses and standard communication protocols shall be used for communication.
22. The drive shall have an intuitive user-friendly operator interface for local and / or remote control and monitoring
23. HMI. displays, signal lights, meters and any other locally mounted operator interface Shall be accessible and visible from the front without opening the enclosure
24. The drive shall have a standard HMI interface with standard features as per IEC 6330 3 or any relevant ISO standards

VII. FABRICATION

1. The panel height shall not exceed 2000mm, and the depth shall not exceed 700mm. The panel Shall be free standing. Floor mounting type. The cable entry shall be from the bottom of the panel & also from bottom in cable chamber. The panels shall have hinged door in front only & the panel side and rear door shall be flush type removable fixed by bolts. Door hinges shall be of concealed type.
2. The panels shall be fabricated with sheet steel having minimum thickness as follows: (a) Base channel; 3 mm, (b) Load bearing member: 2 mm. (c) Non- load bearing member: 1.6 mm and (d) Inter- compartment mesh (removable) 1.6mm, 10 mesh
3. The sheet steel for panel/doors shall be CRCA and suitable reinforcement shall be provided to make it rigid. The base frame shall be made from channel and Shall be rigid enough to withstand shocks during transit.
4. The panels shall be painted with two coats of red oxide primer after proper treatment. Then two coats of Epoxy based paint of RAL 7032 (Siemens Grey) shade.
5. All panels shall be in **IP41** class of enclosure. Neoprene gaskets shall be used. Panel door shall have 90 degree door fasten knobs. Cable Chamber door Shall have screw type fasten knobs and lock washer.
6. The panel shall be single front multi-tier modular type.
7. The compartments for fixing electrical accessories shall be non-draw out type and all components shall be mounted on a removable base plate. Standard engineering practices shall be followed for designing. layout & wiring of components, with sufficient clearances for ease of maintenance without disturbing other components. Inter compartment separator shall be mesh type for better heat dissipation.
8. There shall be cooling arrangement in the panel so that temperature of electronic cards. PCB etc. does not increase beyond normal operating limit of 45^0 Centigrade. Separate axial flow fans and one standby fan shall be provided on the top of each panel to dissipate heat. The Fans shall be suitably size to maintain the temperature inside the panel within the limiting range. Inlet removable type panel Filter shall be provided for suction air. Air filter shall be of type: P15-150 S filter class to ISO 16890: ISO coarse 30%" filter class to en 779:2012:g2. Nominal media velocity 2m/s. weight: 100g/m2. Thickness: 8mm. thermal stability & Rel hum. up to 100C.
9. The VFD compartment shall have louvers, SS vermin-proof mesh and removable filter as suction for fans. The fans shall be rated for 230 volts, 50 Hz, have individual NS type fuse and one main two pole MCB and protected by vermin-proof SS mesh

7 with a top canopy. There shall be two fans/panel. One fan over each panel shall run continuously and other through a separate thermostat.

10. There shall be a cable chamber for termination of Power and Control Cables. The panel & cable chamber shall have Separate detachable type gland plate with gasket and all the cable entry shall be as specified.
11. The door shall have suitable windows / opening to view the displays on the VFD unit and indicating lamps without opening the door OR shall have provision to fix the local operator station / HMI on the panel door. The door shall have provision to fix other instruments like digital power meter, power & control switches & indicating lamps. The windows, if provided, shall have gasket toughened glass. All switches shall have shrouds on live terminals and proper door interlock mechanism with defeat facility.
12. Proper identification of components (inside / outside) shall be done. White engraving on black ABS nameplate shall be screw fixed.
13. Two vertical and one horizontal earth bus of suitable size shall be provided with provision for external earth connection in the panel. Two tinned copper flexible earth connections of adequate rating shall be made to base plate and doors in each compartment.
14. All hardware such as nut, bolt & washers shall be zinc plated MS. Eyebolts shall be provided for lifting. Foundation bolts shall be inside of the frame.

VIII. SHIPMENT AND DESPATCH

1. The drive shall be shipped as one unit or properly defined shipping splits.
2. The shipping unit(s) shall be adequately packaged for shipment per the drive manufacture's standard practice.
3. Exposed sections of the shipping unit(s) shall be covered and protected from damage during shipment.
4. The drive shall be delivered to the site pre-assembled and wired. Required hardware and cables for connection across shipping splits (if any) shall be identified and provided by drives manufacturer.
5. Instructions for handling and storage shall be provided prior to delivery of the drive.
6. All shipping units shall have adequate provisions for handling by overhead crane or forklift truck.
7. Necessary manuals shall be provided by the manufacturer

IX. Special Instructions:

1. The bidder shall include in their scope all necessary hardware, cables, accessories, modifications and associated works required for successful installation, testing and commissioning of the upgraded VFD Drive Assembly, whether specifically mentioned or otherwise required for satisfactory performance of the system.
2. The bidder shall ensure that the proposed VFD system and associated equipment are compatible with the existing control system and shall provide all necessary interfaces for integration with the existing system.
3. The supplier shall ensure that the upgraded VFD-system for ID Fans is fully functional, safe, reliable and suitable for continuous operation under actual thermal power plant operating conditions.
4. The supplier shall provide on-site training to plant personnel.
5. The bidder shall have qualified engineers/supervisors with adequate experience available for execution of the work.
6. The bidder shall possess, or have access to, the required tools, machinery, testing

equipment and other resources necessary for successful execution of the work.

7. The bidder shall not have any record of poor performance, termination of contracts due to default, or blacklisting/debarment by any Government Department, Public Sector Undertaking, or other organization.
8. The bidder shall have no ongoing critical litigation that may adversely affect the execution or completion of the contract.

5.0 ***SITE VISIT PRIOR TO BID SUBMISSION***:

It is the sole responsibility of the BIDDER to execute the contract i.e., supply and erection, completely in line with APGENCO's requirements, and therefore, the Bidders are advised to visit the site, collect information regarding Equipment, transportation, availability of skilled / unskilled labours, climatic conditions, to their satisfaction and acquaint with the nature & condition of work prior to working out the price of the Tender. Bidder shall request by email for the site visit to Dr.NTTPS (vtps.ce@apgenco.gov.in) along with the details of the personnel, preferred date and itinerary.

6.0 **GENERAL SPECIFICATIONS:**

6.1 **Codes & Standards:**

The Design, Engineering, inspection & testing of the materials covered under this specification shall conform to the latest editions of relevant statutes, regulations, codes & standards, as applicable in the locality where they will be installed. The Bidder shall fully acquaint himself with these requirements and shall ensure compliance with them. However in the event of any conflict between the requirements of two standards or between the requirements of any standard and this specification, the more stringent requirements shall apply, unless confirmed otherwise by the APGENCO, in writing. The decision of the APGENCO shall be final and binding in all such cases.

6.2 **Completeness**: The offered materials shall be complete in every respect, with all mountings/fixtures/standard accessories etc, necessary for their satisfactory installation, commissioning, and for ensuring optimum performance, in place of the existing materials, as per the requirements stipulated in this Tender Specification. Such components shall be deemed to be within Bidder's scope, irrespective of whether these are specifically detailed in this specification or not.

7.0 ***QUALITY ASSURANCE PLAN (QAP)/MATERIAL QUALITY PLAN (MQP) & DRAWINGS:***

7.1 **Drawings**

A) The Successful Bidder shall submit Drawings of **VFD system along with mandatory spares** in accordance with Technical Specification of APGENCO, before manufacturing, preferably within **Seven Days** from the date of issue of the Letter of Intent/Purchase Order, whichever is earlier, and get the same **approved** by the CE (O&M)/Dr.NTTPS.

B) Notwithstanding any approval issued by APGENCO, the SUPPLIER shall be solely responsible for the correctness of the same, for the consequences arising out of any errors or omissions therein, or for any litigation or liability under the contract.

7.2 **Manufacturing Quality Plan (MQP):**

a. The Successful Bidder shall submit a detailed Manufacturing Quality Plan (MQP) along with test plans of VFD, motor, motor with VFD integrated test plan and test protocols incorporating inspection and customer hold points, before manufacturing and get the same **"approved"** by the Superintending Engineer/Quality Control /APGENCO/ Vidyut soudha/ Vijayawada, **Ph:0866-2526950, e-mail: qc.se@apgenco.gov.in**.

b. **MQP** in APGENCO Standard format shall be submitted by the Successful Supplier/Bidder as per "Approved Drawing, Standards" in compliance with APGENCO/EIC Specifications with respect to with respect to Dimensions,

Material Suitability, Material Workmanship, Material of Construction, Fitment and Tag Marking and Standards for"**Quality Control /APGENCO Approval"**

c. The QAP/MQP shall be submitted to the Superintending Engineer/Quality Control/Vidyut Soudha, **within 15 *days (preferably) (preferably) from the date of issue of drawing approval.***
d. Inspection & Testing at Manufacture's site shall be as approved Drawings & approved QAP/MQP, and manufacturing shall be taken up only after approval of the QAP/MQP, and strictly in accordance with the same.

7.3 **FQP Approval:**
The Manufacturer/Supplier shall submit the Field Quality Plan (FQP) for Dismantling of existing VFD system and installation, Testing & commissioning of new VFD system along with mandatory spares, before installation & commissioning for **Approval** of the Chief Engineer/O&M/Dr.NTTPS e-mail: NTTPS.ce@apgenco.gov.in.

8.0 TESTS & TEST CERTIFICATEs and CERTIFICATE OF CONFORMANCE(COC):

8.1 All necessary Tests at manufacturer's site shall be conducted as per the "Approved MQP", for ensuring compliance with the Technical Specifications requirements stipulated in this Tender Specification.

8.2 Type tests, routine tests and acceptance tests of VFD, MOTORS, VFD WITH MOTORS shall comply with IEC 61800 STANDARS series.

8.3 **Test** Certificates/Inspection Reports shall be submitted for "**Quality Control / APGENCO Approval".**

8.4 The above shall be submitted to the Superintending Engineer/Quality Control Department/APGENCO/Vidyut soudha/ Vijayawada, **(i.e. Quality Control wing), Ph:0866-2526950, e-mail:qc.se@apgenco.gov.in,**

8.5 Apart from the tests to be done at Supplier's works, APGENCO reserves the right to get other tests done at APGENCO's Laboratory/ other than Vendor's Laboratory, if required for ensuring quality of material.

8.6 **Certificate of Conformance(COC)** :The Manufacturer /Supplier shall submit the **Certificate of Conformance(COC)** certifying that the material conforms to the specifications mentioned in Tender specification and manufactured in accordance with the relevant standards for **"Approval** " to Superintending Engineer/Quality Control/APGENCO/Vidyut Soudha/Vijayawada, **(i.e. Quality Control wing), Ph:0866-2526950, e-mail:qc.se@apgenco.gov.in,** before dispatch of the materials, with copies marked to the CE/O&M/Dr.NTTPS and also to CE (Generation).:

9.0 *PRE-DESPATCH INSPECTION (PDI), DISPATCH & ACCEPTANCE OF MATERIAL :*

9.1 A) **Pre-Despatch Inspection**: All materials to be supplied shall be subject to inspection/checking/testing at manufactures site by authorized representative of APGENCO field Engineers/ Superintending Engineer, Quality control Department, Vidyut Soudha, APGENCO, Gunadala, Vijayawada-520004, A.P. at all stages and places, before, during and after the manufacture. All these tests shall be carried out in the presence of authorized representative of the Corporation.

B) Supplier shall notify the Superintending Engineer, Quality control Department, Vidyut Soudha, APGENCO, Gunadala, Vijayawada-520004, A.P. for the

inspection of materials/equipment when they are ready, giving at least **15 days notice**.

9.2 **Dispatch Instruction:** The material shall be dispatched only after the above said inspection or waival of such Inspection, approval of Inspection Reports and Test Certificates and after issue of **Material Dispatch Clearance Certificate** (MDCC) by Superintending Engineer, Quality Control, Vidyut Soudha, APGENCO, Gunadala, Vijayawada-520004, A.P. **Ph: 0866-2526950, e-mail: qc.se@apgenco.gov.in.**

9.3 The supplier shall submit Guaranteed Fitment & Interchangeability Certificate and Performance Guarantee & Guarantee period certificate along with supply.

9.4 A) **Acceptance of Material**: The material will be accepted based on visual inspection and Dimensional check **as per approved drawings**, by APGENCO Engineering-In-Charge.

B) Guaranteed Fitment & Interchangeability Certificate and Performance Guarantee & Guarantee Period Certificate shall be submitted along with Supply. And the same are subject to check by Engineering-In-Charge while acceptance of material.

C)If upon receipt at our Stores, the material does not meet the requirements and specifications, they shall be rejected and returned to the Supplier for replacement. In such cases all expenses including to- and- fro freight, re-packing charges, transit insurance etc shall be to the account of supplier.

10.0 DELIVERY:

10.1 **a. Material Portion:**

Delivery is the essence of Contract, and is subject to APGENCO's standard PENALTY Condition. ***The Delivery period for the material portion of the contract is 6 months, which shall take the following into consideration.***

(I) All the activities (such as the following) which are in the scope of the SUPPLIER, shall be completed within this period.

(i) Submission of QAP/MQP (reckoned from the date of issue of Letter of Intent/PO, whichever is earlier).

(ii) Giving inspection call after completion of manufacturing (reckoned from the date of issue of approval for QAP/MQP).

(iii) Dispatch of the materials to site from Ex-works, (reckoned from the date of issue of dispatch clearance, requisite road permits / way bills as applicable etc, whichever is later from APGENCO).

(II) The above delivery period does not include the time taken at APGENCO's end, for providing clarifications (if any) to the Supplier, for issue of requisite approvals, clearances etc, as applicable, at various stages of Order execution, *such as approval of QAP/MQP etc, Completing Pre-dispatch Inspection and approval of Test Certificates and issue of Dispatch Clearance, Road Permits/ Way Bills etc.*

b. Service Portion: The dismantling, erection, testing & commissioning shall be completed within **30 days from** the date of handing over of the site

10.2 The above delivery period is only indicative. However the actual delivery period will be indicated in the Purchase Order, depending upon the urgent requirement at site.

10.3 For purpose of applying Penalty, the following will be considered.

(a) The total excess period of delay in carrying out the various activities in the Supplier's scope over and above the stipulated period, will be converted into weeks, with duration of less than a week being treated as a whole week.

(b) Materials/Equipment, which are not of acceptable quality, or not conforming to the requirements stipulated in the Contract, will be deemed to be not delivered.

10.4 ***Road Permits:*** Requirement of Road Permits/Way Bills etc, if applicable, shall be communicated to the Consignee, Deputy Executive Engineer/Transport/Dr.NTTPS/Ibrahimpatnam, sufficiently in advance.

11.0 ***GUARANTEE PERIOD:***

The supplied materials shall be guaranteed for satisfactory performance for a period of **12 months** from the date of successful commissioning of the equipment or 18 **months** from the date of receipt & acceptance of the material at site, whichever is earlier, against defective materials/workmanship. Guarantee Certificate to such extent shall be furnished.

The firm shall provide free service support during the Guarantee period and if the equipment found defective or inoperative during the above period, the same shall be replaced/repaired at free of cost and shall be kept in working condition. Further, the firm shall furnish service support and spares support for a minimum period of 10 years from the date of installation of the equipment.

Damages as per Liquidated Damages clause in the contract for the delay from the date of receipt of intimation for the defects or failures. The incidental expenses, transport & freight charges for the replacement of defective materials within the guarantee period shall also be borne by the supplier till such time it serves a continuous period of 18 months as said above.

After successful completion of C**ommissioning of Respective R&M works**, Guarantee certificate issued by the station head shall be submitted for releasing the 10% balance payments.

12.0 ***INSTRUCTION MANUALS:***

The SUPPLIER shall submit Detailed Instruction manuals covering, the Erection, Operation, Commissioning & Trouble shooting procedures, Schematic/GA/ Assembly & other Drawings, Literature/Catalogues for Bought-Out Items, Spare parts lists, recommended schedule of maintenance etc, for the guidance of the operating staff. Any items requiring special attention of the operating engineers shall be highlighted. At least FIVE sets of Manuals shall be furnished.

13.0 **Interchangeability**: The SUPPLIER shall be solely responsible for ensuring that the materials supplied are interchangeable. All Bidders are requested to study the requirements of this Specification in detail. If necessary, they may depute their representative to Dr.NTTPS site, for collecting any data/relevant particulars. Any queries shall be addressed to this Office and got clarified before submitting the quotations.

14.0 ***SITE HANDING OVER:***

The site will be handed over to the contractor as per the availability to take up the works or in phased manner and the contractor shall execute the work.

Bidders must note that work must be executed without causing any disturbance to power generation, electrical networks, or peripheral plant systems.

15.0 **EXECUTION ON SITE ACTIVITIES:**

a. The bidder shall ensure completeness in respect of the scope of supplies & services in executing the contract. He shall carry out a detailed study of existing equipment & its performance and finalize the requirement of all such materials/equipment and works/activities, which are necessary for satisfactory commissioning of above-mentioned ***System pertaining to 210MW x 3 Units of Stage-II&III of Dr.NTTPS.***
b. The Erection (including dismantling where applicable) and commissioning shall be carried out with the best Skills & Know- how available.
c. The contractor shall program execution of the activities covered in the scope of this contract in such a manner, so as to ensure completion in the shortest possible

period. The contractor shall make all possible on-site arrangements well in advance, so as to facilitate immediate commencement of work, as soon as the site is made ready.

d. The contractor shall mobilize and deploy adequate manpower, materials & other resources at site, to ensure that the work is executed comprehensively & satisfactorily, well within the scheduled completion period. It is the responsibility of the CONTRACTOR to acquaint himself with, and ensure compliance with all relevant statutory rules & regulations governing employment of labour/workmen.
e. The work should be carried out without hindrance to the normal operation of the power house and also in full cooperation & co-ordination with other contractors, if any, for other works.
f. Preparing schedules and furnishing progress report in requisite mode to the engineer in charge.
g. The contractor must clean the work area daily. Removed insulation, packaging materials, and scrap metal must not block walkways or crane access zones.
h. No physical work shall begin without a valid **Permit to Work (PTW) on a particular equipment or system** issued by the Engineer In-Charge of Dr.NTTPS.
i. **Personal Protective Equipment (PPE):** The contractor must provide industrial safety helmets, steel-toe safety shoes, double-lifeline safety harnesses, welding face-shields, and localized exhaust blowers for their workforce.
j. **Safety Indemnity:** Any industrial accident or environmental issue resulting from a failure to follow safety protocols will be the sole legal and financial liability of the contractor.

16.0 ARRANGEMENTS WITHIN CONTRACTOR'S SCOPE :

(a) All necessary equipments/facilities, except those explicitly stipulated to be with in APGENCO's scope, shall be arranged by the CONTRACTORS, at his cost.
(b) T&P and consumables such as gas, all types of welding electrodes, are in Contractor's scope
(c) Transporting from storage yard to site, Loading, unloading and erection including cranes, chain blocks are contractor's scope.
(d) All the temporary arrangements like working platforms, erection bolts, erection supports, access ladders etc., shall be arranged by the contractor.
(e) Accommodation for workmen, workman compensation Act and third party insurance etc. shall be under Contractor's scope only. However temporary residential facilities will be given on request subject to availability. The rent applicable in force will have to be borne by the contractor.

17.0 *Facilities to be provided by APGENCO*:

a) APGENCO will provide 415V LT power supply at one location at free of cost.
b) Available vacant area at the site for storage of materials & office will be provided by APGENCO.
c) Infrastructural facilities such as Electric power supply, water etc.,
d) **APGENCO will arrange shutdown/line clear on the equipment on prior intimation and mutual discussion in advance to avoid generation loss on units and satisfactory completion of works. The bidder shall submit bar charts & schedules in advance to carry out the work.**

18.0 STORAGE AND STORAGE INSURANCE:-

Unloading of the equipment, transportation to Site, storing in contractor's storage area and necessary security arrangements at site shall be Supplier's responsibility till the completion of contract. The Storage and Storage insurance for theft/fire/flood shall be to Contractor's scope.

19.0 **STATUTORY PERMISSIONS/REQUIREMENTS:**

19.1 Unless stipulated other-wise, the contractor shall be solely responsible, even in the event of sub-letting, for ensuring fully in compliance with all rules & regulations stipulated in relevant Acts of the central or state Governments, including those applicable to employment of labour (Such as EPF,ESI/GIS etc), such as the Indian

Electricity Act, Minimum Wages Act etc, whether or not such Acts are indicated explicitly.

19.2 The contractor shall obtain at his own cost, any & all statutory permissions, required for carrying out subject work.

20.0 INSURANCE FOR MATERIAL/EQUIPMENT & PERSONNEL:-

20.1 The CONTRACTOR shall be fully responsible for the safe & satisfactory execution of this Contract. He shall arrange Comprehensive Storage-cum-Erection Insurance Cover (including Third Party Risk), for erection hardware, and also the Equipments/ materials handled at his cost. He shall also be responsible for arranging Insurance cover for his workmen & supervisory staff, against any injuries sustained during the execution of the Contract, in accordance with the Workmen Compensation Act. No compensation will be paid by the APGENCO, if any accidents occur to the workers employed by the contractor while carrying out the work.

20.2 The CONTRACTOR shall be solely responsible for settlement of insurance claims, if any, and has to ensure that the Contract is executed within the stipulated period, irrespective of settlement of such Claims.

21.0 DAMAGES TO CORPORATION PERSONNEL OR PROPERTY:-

The Contractor shall make good, at his cost, any/all damages to the property and personnel of corporation within power station area arising out of the carelessness & negligence on the part of himself or his employees. The relevant cost of damages will be debited from the contractor's bills/invoices.

22.0 REPLACEMENT OF DEFECTIVE MATERIALS:-

If, during the progress of fabrication and erection, should the APGENCO engineer in-charge finds during any time that the contractor has supplied or erected any equipment or materials inferior in quality or quantity to those specified, the contractor shall on receiving the details of such defects or deficiencies, proceed to supply new materials as per the specification within the time specified by the APGENCO's engineer in-charge. In case the contractor fails to replace, the APGENCO reserves the right to proceed in removing the subject materials at the cost of the contractor provided that nothing in this clause shall be deemed to deprive APGENCO of affecting any rights under this contract which may otherwise have in respect of such defects or deficiencies.

23.0 RE-DOING OF DEFECTIVE WORK:-

If, during the process of erection of materials supplied under this contract, should APGENCO's Engineer -in – charge shall find that the contractor had executed any unsound or imperfect work, the contractor shall on receiving the details of such defects or deficiencies, proceed to alter, re-erect such work within the time specified by the APGENCO's Engineer -in – charge. In case the contractor fails to re- do the work within specified time, the APGENCO reserves the right to proceed in removing or dismantle the equipment, at the cost of the contractor performing all such work, provided that nothing in this clause shall be deemed to deprive APGENCO or affect any rights under this contract which may otherwise have in respect of such defects or deficiencies.

24.0 CO-ORDINATION AND CO-OPERATION:-

The successful bidder shall fully cooperate with the APGENCO's other contractors of related equipment in the mutual exchange of drawings, dimensions and other information to the extent necessary to ensure complete co–ordination of design, arrangement and manufacture of related parts. No remuneration is payable for such technical co-operation.

25.0 LABOUR LICENSE:-

The contractor should possess the valid labour license for the labour engaged by him / his sub contractor.

26.0 WORK ON HOLIDAYS:

Work shall be carried out on all days including Sundays and other important national holidays.

27.0 DEVIATIONS:

Supplier shall not, without the consent of APGENCO in writing, take any deviations in from terms & conditions of tender specification and subsequent clarifications/amendments upto issuance of Letter of Intent/Purchase Order/Contract. Any deviation taken by the contractor without consent of APGENCO in writing, will be deemed to be a breach of contract and payment will not be made for such of the works which are carried out with deviations.

28.0 ***TESTS AT SITE***:

(a) The following tests and checks shall be done at site to verify the guarantees in accordance with the requirements of the Tender Specification.

(i) Proper operation of each equipment.

(ii) Any other tests not specifically mentioned above but may be necessitated, to verify/establish equipment/system performance, guarantees etc.

(b) Contractor shall furnish a detailed Schedule of Tests, covering the various Tests proposed to be conducted on the above SYSTEMS including the various civil works, sub-systems & individual equipments at various stages during the execution of the Contract, and also the Performance/Acceptance Tests to be carried out as per the requirements of the Specification.

(c) APGENCO shall be notified in advance of the tests, to enable deputation/deployment of representatives to witness the test jointly. No extra cost will be payable on this account.

(d) All necessary standard test instruments and devices (with valid Calibration Certificates) shall be arranged by the contractor for conducting of the above tests at site.

(e) APGENCO shall be provided with copies of the results of all tests carried out on the equipment and the test certificates (copies in respect of Type Tests), shall be got approved by the APGENCO, before payment becomes due.

(f) Approval of the Test Certificates does not absolve the contractor from their responsibility for guaranteed performance of the equipments etc erected under this contract.

29) SAFETY AND ACCIDENTS: The contractor should observe safety rules and provide safety appliances to his workmen. Necessary precautionary measures will have to be taken to prevent any accidents. APGENCO will not be held responsible towards the payment of compensation for those who got involved in the accident.

1) The work should be done without any inconvenience to the other staff working at site by suitably coordinating with them.

2) The work should be carried-out without any damage to the equipments in the area. The contractor is responsible for any damage to the equipment of the Corporation.

3) The works shall always be supervised for safety. Supervision of safety must be part of supervision of work execution.

4) The contractor shall engage his workmen only to whom gate passes is issued by APGENCO and shall not allow any other workmen to the stipulated work area. Contractor is responsible for any deviation.

30) SAFETY CONDITIONS

1) The contractor should not allow his workmen to wear loose garments like lungies, dhoties etc., and smoke cigarettes, cigar, beedi etc., while at work,

inside the power House premises. The contractor shall ensure that his workmen wear either full pant or half pant while at work inside the Power House premises.

2) All relevant personnel protective equipment including safety helmets (for all works) should be worn by the contractor and his workmen while at work.

3) All the appropriate and relevant safety measures stipulated under the Factories Act.1948 made there under should be scrupulously complied with by the contractor and his workmen without any compromises.

4) For any safety violation and non-compliance of the statutory Act. and rules prescribed respectively under the Factories act.1948 made there under the contractor is liable for the imposition of penalty up to Rs.5,000/-(Rupees Five thousand only) per spell Or as decided by the CE/O&M/Dr.NTTPS depending upon the severity and gravity of the violation.

5) The term Dr.NTTPS includes all areas which come within the control of the Chief Engineer/O&M/Dr.NTTPS for the purpose of Factories Act.

31) The title of the ownership of goods to be supplied shall pass on to the APGENCO on dispatch ex works/ FOR destination. However till the scope is completed in all respect and the plant/ equipment is taken over by the APGENCO the goods shall remain with the custody of the bidder.

22/10/26

Superintending Engineer (Generation-I)

SECTION-III: INSTRUCTIONS TO THE BIDDERS

The instructions given below must be read very carefully, as failure in compliance with any of these may render the offer liable for rejection. If a bidder has any doubt about the meaning of any stipulation herein, General Purchase Conditions, specification of materials or any other enclosed document, the tenderer should immediately obtain the clarification/ information in writing from the executive who has issued these documents or from the Chief Engineer (Generation).

APGENCO or CORPORATION: shall mean **Andhra Pradesh Power Generation Corporation Ltd.**, (a Govt. of A.P Undertaking), a company incorporated in India under Companies Act 1956, having its Regd. Office at Vidyut Soudha, Vijayawada–520 004, (Andhra Pradesh).

1. Earnest Money Deposit (EMD)

1.1. Offer must accompany with EMD for requisite amount as specified in the tender enquiry failing which the offer shall be liable for rejection.
EMD can be furnished by way of DD/Pay Order/Banker's Cheque/Bank Guarantee.

1.2. Submission of EMD in any other form shall not be considered and shall be treated as disqualification.

1.3. ***The EMD shall be forfeited, if the***

(i) Bidder withdraws the bid before expiry of its Validity.
(ii) Successful bidder does not accept the LoI/PO or fails to enter into a Contract within the validity period of the Offer.
(iii) Successful bidder fails to furnish the Security Deposit within 30 days from the date of issue of LOI/PO.
(iv) The Offer is disqualified for the reasons outlined in clause 2.4 below.

1.4. ***Permanent/ Standing EMD:***

The bidder may deposit with APGENCO, the permanent fixed deposit of **Rs.5,00,000/- (Five lakhs only)** as EMD in the form of DD/Pay order/ Banker's cheque. In case of BG, it shall be valid for a period of three years constituting the said sum as security for due compliance with the obligations undertaken in the offer submitted by the bidder. No interest will be payable on such amount.

1.5 EMD of successful bidder shall be returned after acceptance of order and furnishing of Security Deposit, if provided in the purchase order.

2.0 Post tender rebates or deviations in quoted prices and/ or conditions or any such offers which will give a benefit to the bidder over others **will not only be rejected outright but also the original offer itself will get disqualified on this account, and bidder's EMD shall be forfeited.**

2.1 The quoted prices must be written in both figures and words in capital letters. Alterations, if any, shall be made clearly by crossing the whole-entered rate and the bidder with his full signature and rubber stamp should attest such correction. **There shall NOT be any overwriting under any circumstances; as such offers are liable for rejection. In case of any discrepancy between figures and words, the rates in words shall be considered for the purpose of evaluation.**

2.2 Bidders may note that due date and time of opening the bids shall strictly be adhered to and opened accordingly. However, due to declaration of unexpected holiday or any unforeseen circumstances, **if bids are not opened on the due date, the same shall be opened on the next working day at the same time & venue.**

2.3 Standard printed conditions attached to the tender will not be accepted. Only those mentioned in the body of the Offer will be considered.

2.4 The bidder shall certify that the quoted rates are as applicable to Government Dept. / Public Sector Undertaking and in support of this they shall furnish copies of Purchase Orders received from these organizations.

3.0 Validity of Offers:

The Offers shall be valid for a **period of 180 days from the date of opening of Price/Commercial Bids**. The period of validity cannot be counted from any other date other than the date of opening the price/commercial bids.
During this period bidder shall not be permitted to withdraw or vary their offers, once made and if they do so, **the EMD shall be forfeited.**

4. **PAN:**
The bidder may submit along with their offers, the copy of PAN card, along with latest IT returns filed.

5. **Past Experience:**
The list of customers, to whom the bidder had supplied identical materials in the past along with documentary evidence with P.O. details and Performance Reports, if any, shall be furnished.

6. **Acceptance of APGENCO Payment Terms (Please refer Section-I)**

7. **Price Basis:**
Kindly quote F.O.R. destination prices and Dispatch of materials through our authorized transporter. However, if the quoted rates are on Ex-Works basis, loading @ 2% towards Packing and Forwarding and 3% towards Freight charges shall be done. However, for F.O.R. Destination or F.O.R. Station of Dispatch prices, break- up of Packing and Forwarding, Freight component (inclusive of GST), GST and any other charges applicable shall be furnished.

8. **Transit Insurance**:
Bidder shall quote FOR Destination prices inclusive of transit insurance charges. However, if the price is of Ex-works or Station of Dispatch, loading shall be done @ 1% on **(Basic price + P&F +GST)** towards transit insurance by the Corporation.

9. **Taxes and Duties:**
GST as applicable.

10. **Cost Compensation for Deviation**:
Deviations specifically declared by the bidders in respective Deviation Schedules of Bid Proposal Sheets only will be taken into account for the purpose of evaluation. The bidders are required to declare the Prices for the withdrawal of the deviations declared by them in the Deviation Schedules. Such Prices declared by the bidders for the withdrawal of the deviations in the Deviation Schedule shall be added to the bid prices to compensate for these deviations. In case prices for the withdrawal of deviations not furnished by the bidder, the owner shall convert such deviations into a Rupee value and add to the bid price to compensate for these. In determining the Rupee Value of the deviations, the owner will use parameters consistent with those specified in the specifications and documents and/ or other information as necessary and available with APGENCO. In case the bidder refuses to withdraw the deviations at the cost of withdrawal indicated by the bidder in the deviation schedule, the EMD of bidder shall be forfeited. Bidder may note that deviation variations and additional conditions etc. found elsewhere in the bid other than those stated in the Deviation schedules, save those pertaining to any rebates, shall not be given effect to evaluation and it will be assumed that the bidder complies with all the conditions of Bidding Documents. In case the bidder refuses to withdraw, without any cost to APGENCO, those deviations, which the bidder did not state in the Deviation Schedules, the EMD of the bidder may be forfeited.

11. Offers should strictly be in conformity with specifications/drawings/samples as stipulated in the enquiry. In case no deviations are indicated, it shall be taken for granted that item (s) has/ have been offered strictly as per the requirements given in the enquiry.

12. **Delivery:**
The material shall be delivered within the shortest possible period, reckoned from the date of Purchase Order. In case of any deviation, bidder shall offer his best, realistic and firm delivery, which shall be specific and guaranteed. Delivery period shall be reckoned from the date of issue of P.O. Final date of delivery shall be evidenced by the date of despatch of materials as per transporter's Lorry

Receipt/Goods Receipt/Railway Receipt/Permanent Way Bill/Advance Way Bill. In case stage inspection or pre- despatch inspection is involved, the bidder shall take into account 15 days notice to APGENCO to depute Inspection Engineer. In view of this, delivery time will be inclusive of time taken for inspection. For delivery beyond contractual delivery period, provisions of 'General Purchase Conditions' will apply.

13. It is not binding on APGENCO to accept the lowest or any bid. The Corporation reserves the right to place orders for individual items with different bidders and to revise the quantities at the time of placing the order. The quoted rates, terms and conditions shall apply. The Order for the materials may also be split up between different bidders to facilitate quick delivery of critically required materials. APGENCO further reserves the right to accept or reject any/all bids without assigning any reasons thereof.

14. APGENCO at its sole discretion unilaterally may change the quantities to the extent of ± 20% as indicated in tender enquiry/ NIT. The successful bidder shall be bound to supply these quantities on the same rate and terms and conditions.

15. Bidders are requested to fill in the enclosed **Proforma for Terms and Conditions** and submit the same in duplicate along with their offer.

16. Orders placed against this tender enquiry shall be subject to 'General Purchase Conditions' of APGENCO, a copy of which is enclosed. Bidders are requested to confirm acceptance in toto in their Offer.

17. Make/Brand of items offered shall be specified failing which offers are liable to be rejected. It shall be appreciated if one copy of detailed descriptive literature/ pamphlets shall be enclosed along with the Offer, which may help technical evaluation.

18. In case material offered is ISI marked/tested at any Govt. recognized test house; copies of relevant certificate shall be furnished along with the offer.

19. Test certificate of manufacturer/Govt. Test House shall be submitted if so stipulated.

20. If the bidder is on DGS&D Rate Contract for item (s) covered in tender enquiry. A notarized copy of the same shall be enclosed along with the offer. SSI/NSIC units shall furnish a notarized copy of registration certificate.

21. Samples shall be submitted with the Offer wherever asked for and it is to be noted that they shall only be supplementary to the Specification and would not supersede the Specification. Samples are relied upon solely to describe attributes that are not quantifiable like colour, luster feel etc. Bidder shall submit samples, freight paid, through register Post Parcel/ Road transport and should ensure that samples reach APGENCO within the stipulated date and time. No cognizance will be given to such samples, which are received after the specified date and time.

22/10/26

Superintending Engineer (Generation-I)

SECTION-IV: GENERAL PURCHASE CONDITIONS

1.1 The following terms and expressions used herein shall have the meaning as indicated herein: "Supplier/ Vendor/Contractor": shall mean the individual firm or company whether incorporated or otherwise in whose name the purchase order shall be addressed and shall include its permitted assigns and successors.
"Buyer/ Purchaser/ Corporation/ APGENCO": shall mean Andhra Pradesh Power Generation Corporation Ltd., (A Govt. of A. P. Undertaking), a company incorporated in India under Companies Act 1956, having its Registered Office at Vidyut Soudha, Vijayawada – 520 004 (Andhra Pradesh).
"Contract / Agreement": shall mean the Purchase Order.

1.2. **Reference:** After placing of purchase order, the purchase order number must appear on all the correspondence, packing slips, invoices, drawings or any other document or paper connected with the purchase order.

1.3. **Specifications and drawings:**
Any information or details which are included in the specifications but not indicated in the drawings and vice-versa will have the same effect and meaning as if included for and shown both in the specifications and drawings. In case of any dispute between the specifications and drawings, the decision of the Corporation or its authorized representative will be final and binding.

1.4. **Addition/ Alterations/ Modifications:**
The Corporation reserves the right to make additions/alterations/ modifications to the quantity of items in the purchase order. The supplier shall supply such quantities also at the same rate as originally agreed to and incorporated in the purchase order.

1.5. **Waiver:**
Any waiver by the authority of any breach of the terms and conditions of the purchase order shall not constitute any right for subsequent waiver of any other terms or conditions.

1.6. **Sub-letting and Assignment:**
The supplier shall not, save with prior consent in writing of the Corporation, sublet, transfer or assign the order or any part thereof or interest therein or benefit or advantage thereof in any manner, whatsoever. Provided nevertheless that any such consent shall not relieve the supplier from any obligation, duty or responsibilities under the contract. Any subletting done without the consent of APGENCO in writing shall be deemed to be a breach of contract.

1.7. **Information Provided by the Corporation:**
All drawings, data and documentation that will be given to the supplier by the Corporation for the execution of the order are the property of the Corporation and shall be returned back when demanded. Except for the purpose of executing the order of the Corporation, supplier shall ensure that the above documents are not used for any other purpose. The supplier shall further ensure that the information given by the Corporation is not disclosed to any person, firm, body, corporate and/or authority and make every effort that the above information is kept confidential. All such information shall remain the absolute property of the Corporation.

1.8. **Name Plate:**
Equipment should be provided with name plate giving full details of manufacture, capacity and other details as specified in the relevant IS or other specification

stipulated. The purchase order No. and Date and Year of supply and the words 'APGENCO' must be etched on the name plate.

1.9. **Interchangeability**:
All similar materials and removable parts of similar equipment shall be interchangeable with each other. A specific confirmation of this should be furnished along with the invoices for the supplies.

1.10 **Materials & Workmanship**:
Supplier shall fully warrant that the stores, equipment and component to be supplied against the purchase order shall be new and first quality, according to the specifications and shall be free from defects (even concealed faults, deficiency in design, materials and workmanship). The Supplied materials/equipments shall be erected & commissioned with the best workmanship and with materials of the best & of approved quality for respective uses. The workmanship shall be of the highest grade, and the entire erection work, in accordance with the best modern practices, so as to ensure satisfactory performance of the equipment, capable of withstanding the severest stresses likely to occur in actual service. The equipments/plant materials including all connections & cabling shall be designed and arranged to minimize the risk of fire and any damage that may be caused in the event of fire.

1.11. **Spare Parts, Oils & Lubricants**:
Wherever applicable, the supplier shall furnish to the Corporation, item-wise price list of spares required for two year operation and maintenance of the ordered equipment. The supplier shall also furnish necessary instructions and drawings to identify the spare part numbers and their location as well as an interchangeability chart. The Supplier shall recommend the quality of oils and lubricants required to be used for uninterrupted operation (atleast for one year) of the equipment supplied against the order.

1.12. **Supplier's Liability:**
Supplier shall accept full responsibility and indemnify the Corporation and shall hold the Corporation harmless from all acts of omission and commission on the part of the supplier, his agents, his subcontractors and employees in execution of the purchase order. The supplier shall also agree to defend and hereby undertake to indemnify the Corporation and also hold it harmless from any and all claims for injury to or death of any and all persons including but not limited to employees and for damage to the property arising out of or in connection with the performance of the work carried out against the purchase order.

1.13. **Access to supplier's Premises:**
The Corporation and / or its authorized representative shall be provided access to supplier's and / or his sub-contractor's premises, at any time during the pendency of the purchase order, for expediting the supplies, inspection, checking etc.

1.14 **Sale Conditions**:
With supplier's acceptance of the provisions of the purchase order, any of the general/ special sales conditions quoted by the bidder shall be deemed to have been waived and or cancelled.

1.15 **Modifications:**
This purchase order if placed, shall constitute an entire agreement between the parties hereto. Any modification to the purchase order shall become binding only upon the same being confirmed in writing duly signed by both the parties.

1.16 Inspection/checking/testing:

All materials/ equipment to be supplied against this purchase order shall be subject to inspection/ checking/ testing by the Corporation or its authorized representative at all stages and places, before, during and after manufacture. All these tests shall be carried out in the presence of authorized representative of the Corporation. Supplier shall notify the Corporation for the inspection of materials/ equipment when they are ready, giving atleast 15 days notice. If upon receipt at our Stores, the material/equipment does not meet the specifications, they shall be rejected and returned to the supplier for repair/modification etc. or for replacement. In such cases all expenses including to- and- fro freight, re-packing charges, transit insurance etc shall be to the account of supplier. Inspection by the authorized representative of the Corporation or failure of the corporation to inspect the material/equipment shall not relieve the supplier of any responsibility or liability under this purchase order in respect of such material/ equipment not to be interpreted in anyway to imply acceptance thereof by the Corporation. fees shall be to the suppliers account unless agreed to the contrary and specified in the purchase order. Whenever specifically asked for by the Corporation, the supplier shall arrange for inspection/testing by Institutional Agency such as **Lloyds Register of Industrial Services**, RITES etc. In such cases vendor shall adhere to the inspection/ testing procedures laid down by such agencies. All expenses including inspection

1.17 Packing and Marking:

All materials/equipment shall be securely packed to the requirements of transportation by Rail/ Road/ Sea transport. All exposed services/ connections/, protrusions shall be properly protected. All unexposed part shall be packed with due care and the packages should bear the words' handle with care'. The packing requirements of Rail/ Road transport shall be complied with so as to obtain clear Railway Receipt/ Lorry Receipt i.e. without any qualifying remarks.

All packages and unpacked materials shall be marked with the name of Consignor, Consignee, Purchase order No., gross and Net weight, sign of handling, if any, with indelible paint in English atleast at two places. In case of bundles, metallic plates marked with the above details shall be tagged with such bundles.

1.18 Despatch of Materials:

The supplier is responsible for the safe delivery of the goods in good condition at destination stores. The supplier should acquaint himself of the conditions obtaining for handling and transport of the goods to destination and shall include and provide for security and protective packing of the goods so as to avoid damage in transit.

After packing the materials/ equipment, the same shall be despatched strictly as per the provisions of purchase order. In case any changes in the mode of transportation and/or transporter has to be done, the same shall be done only after obtaining prior approval in writing. Normally the goods shall be despatched through reputed transporter only. All formalities related to allotment of wagons, loading permission from Railways shall be completed by the supplier. The supplier shall communicate immediately the despatch details to the consignee as specified in the purchase order. The Original despatch documents shall be forwarded immediately, failing which the supplier shall be responsible for any delay in payment and consequential payments of demurrage and wharfage to the transporter, if any.

1.19 Demurrage/Wharfage:

If the documents are routed through Bank, any consequential charges i.e. demurrage/ wharfage charges, due to late retirement of documents on account of

(i) Violation of inspection clause i.e. despatch of materials without pre-despatch inspection whereas Pre-despatch inspection is required as per the conditions of P.O.

(ii) Materials despatched after expiry of delivery period without obtaining approval in advance for extension of delivery period

(iii) Dispatch of materials not through authorized transporter as indicated in the P.O.

(iv) Late receipt of invoice or due to violation of any other clause (s) of the purchase order, will be to the supplier's account only. Supplier shall also be responsible for all such payments due to late receipt of RR/LR and other documents.

1.20 Acceptance of order:

The Purchase Orders shall be sent to the supplier in duplicate and he shall return one copy along with enclosures, duly signed and stamped, within 15 days in token of having received and accepted the order.

1.21 Jurisdiction:

All and any disputes or differences arising out of or touching this order shall be decided only by the Courts or Tribunals situated in Vijayawada/Amaravti cities only.

For the purpose of any legal obstruction, the material, spares etc., should be deemed to pass into company's owner ship only at the destination stores where they are delivered and accepted.

FINANCIAL

2.1 Prices:

Price (s) mentioned in the Purchase Order shall be firm and not subject to escalation on any account, till the Order is executed in full and it's subsequent amendments accepted by the Supplier even though the completion/ execution of Order may take longer time than delivery period incorporated and accepted in the Purchase Order.

2.2 Taxes, Levies and Duties:

GST as applicable.

2.3 Variation in Statutory Levies:

Any variation, upward or downward, in statutory levies or new levy is introduced after opening of the bids/placement of Order under this Purchase Order shall be to the account of Corporation, unless otherwise mentioned in the P.O.; provided that in case where delivery schedule is not adhered to by the Supplier and there are upward variation/ revision after the agreed delivery date, the bidder/ Supplier shall bear the impact of such increased levies and if there is downward variation/ revision, the corporation shall be given advantage to that extent.

2.4 All royalties for patent or charges for the use or infringement thereof that may be involved in the construction or use of any equipment shall be included in the bid price. The bidder/Supplier shall protect the Corporation against any and all claims arising on account of the use thereof the Corporation agreeing to furnish the Supplier any appropriate information or assistance.

2.5 Security Deposit (SD):

2.5.1 The successful bidder shall furnish within one month from the date of issue of LOI/ PO (if the value of Order is above Rs. 2,00,000) Security Deposit equal to 2 ½ % of the value of Purchase Order for proper fulfillment of the terms and conditions of the Contract and full execution of supplies thereof. The amount of Security shall

be forfeited to the extent of financial loss suffered by the Corporation, if the Supplier fails to execute the Order and fulfill its terms and conditions.

2.5.2 Security deposit may be furnished in the shape of cash, by Demand Draft drawn on any Scheduled bank, payable to APGENCO or bank guarantee in lieu of cash from any Scheduled bank in the prescribed Proforma which shall be furnished along with Purchase Order (Bank guarantee shall be accepted only if amount of SD is above Rs. 10,000) or Government Securities duly endorsed in favour of APGENCO.

2.5.3 Security deposit shall be returned back to the Supplier as soon as the order is fully executed and the Supplier has met all the contractual obligations and there is nothing outstanding either against this Purchase Order or any other Purchase Order placed by the Corporation on the Supplier.

2.6 Terms of Payment: (Please refer Section-I)

2.6.1 **Payments shall be made through SBI 'e Payments' only.**

2.6.2 If the Supplier has received any excess payments by mistake or if any amounts are due to the Corporation due to any other reasons, when it is not possible to recover such amounts under the Contract resulting out of this Order the Corporation reserves the right to collect the same from any other amounts and/ or Bank Guarantees given by the Supplier due to or with the Corporation.

2.6.3 When the Supplier does not at any time fulfill his obligations in replacing/ rectifying etc. of the damages/ defective materials in part or whole, promptly to the satisfaction of the Corporation's officers, the Corporation reserves the right not to accept the invoices against subsequent dispatches made by the Supplier and under these circumstance only the Supplier will be responsible for any demurrages, wharfages or damages occurred to the consignments so dispatched.

2.7 Delivery Schedule:

Time is the essence of this Order and no delay shall be allowed in the delivery time/ delivery schedule mentioned in the Purchase Order. Delivery of equipment/materials described shall be deemed to constitute acceptance of this Order and terms and conditions by the Supplier at the price specified.

2.8 Liquidated Damages/ Failure and Termination:

2.8.1 In the event of any delay in the Supplies of ordered materials beyond the stipulated date of delivery/ delivery schedule including any extension permitted in writing, the Corporation reserves the right to recover from the Supplier a sum equivalent to 0.5% of the value of delayed materials/equipment for each week of delay and part thereof subject to a maximum of 5% of the total value of the Order.

2.8.2 Alternatively, the Corporation may resort to purchase the material/equipment from elsewhere at the sole risk and cost of the Supplier and recover all such extra cost incurred by the Corporation in procuring the materials by the above procedure.

2.8.3 Alternatively Corporation may cancel the Purchase Order completely or partly without prejudice to its right under the alternatives mentioned above.

2.8.4 In case of recourse to alternative 2.8.2 and 2.8.3. above, the Corporation shall have the right to repurchase the materials which is readily available in the market to meet the urgency of requirements caused by Supplier's failure to comply with the scheduled delivery period irrespective of the fact whether the material/ equipment are similar or not.

2.9 Performance Bank Guarantee (Refer Section-I):

The Supplier shall ensure that all materials/equipment under this Purchase Order shall conform to Corporation's requirements and specifications. An additional security in the form of Performance Bank Guarantee is essential for satisfactory

performance of the equipment over a period of time. In view of this, Suppliers of equipment/ instruments/ materials/ machinery shall be required to furnish a Bank Guarantee (10% of the order value) as follows, against any manufacturing defects/ poor workmanship/poor performance. In case any deficiencies are found during this period, the same shall be repaired/rectified/replaced free of cost. BG shall be from any Government Banks/Nationalized Banks/ Public Sector Bank/Scheduled Banks or any other Banks notified by APGENCO from time to time, in the prescribed Proforma

The Corporation shall at its discretion have recourse to the said Bank Guarantee for recovery of any or all amount due from, the Supplier in connection with the Purchase Order including of Guarantee obligations. Checking/approval of Supplier's drawings, inspection and acceptance of materials/equipment furnishing to effect shipment and/or work done by erection, installation and commissioning of the equipment by Corporation or any other agency on behalf of the Corporation shall not in way relieve the Supplier from the responsibility for proper performance during the Guarantee Period.

2.10 Insurance:

Supplier shall arrange suitable transit insurance cover at their risk and cost.

2.11 Removal of Rejected Goods and Replacement:

a) If upon delivery, the material/equipment is found not in conformity with the specifications stipulated in the Purchase Order, whether inspected and approved earlier or otherwise, those shall be unacceptable to the Corporation or its authorized representative. A notification to this effect shall be issued to the Supplier, normally within 30 days from the date of receipt of materials at our Stores.

b) Supplier shall arrange suitable replacement supplies and remove the rejected goods within 30 days from the date of notification failing which, the goods shall be dispatched to vendor by road transport on 'freight to pay basis' at Supplier risk and cost.

c) External damages or shortages that are prima-facie the results of rough handling in transit or due to defective packing shall be intimated within a fortnight of the receipt of the materials, spares etc. In case of internal defects, damages or shortages or any internal parts, which cannot ordinarily be detected on a superficial visual examination, though due to bad handling in transit or due to defective packing should be intimated within 3 months from the date of receipt of these articles. In either case the damaged or defective materials should be replaced by the Supplier at free of cost to the Corporation.

d) If no steps are taken within 15 days of receipt of intimation of defects or such other reasonable time as company may deem proper to afford, the company may without prejudice to its other rights and remedies arrange for repairs/rectification of the defective materials or replace the same and recover the expenditure incurred from the deposits such as EMD, SD and Performance Guarantees or other moneies available with the Corporation or by resorting to legal action.

e) However, if any advance payment had been made by the Corporation for the goods so rejected on technical ground, rejected materials shall be returned to the Supplier after receipt of suitable replacement supplies. If the Supplier does not settle the rejection within a period of 60 days from the date of notification from stores, rejected goods shall be sent back to the Supplier at his own risk and cost. The Dispatch documents shall be negotiated through bank to recover the advance payment already made. Supplier shall make the payment to the bank and take possession of Dispatch documents so as to collect the materials from the Road Carrier.

2.12 Force Majeure:

2.12.1 The Supplier shall not be liable for delay or failing to supply the materials/ equipment **or failing to execute Works** for reasons of Force Majeure such as Act

of God, Act of War, Act of Public Enemy, Natural calamities, Fires, Floods, Frost, Strikes. Lockouts etc. Only those causes which have duration of more than 7 days shall be considered for Force Majeure.

2.12.2 The vendors shall within 10 days from the beginning of such delay notify to the Corporation in writing the cause of delay. The Corporation shall verify the facts and grant such extension of time as facts justify.

2.12.3 No price variation shall be allowed during the period of Force Majeure and liquidated damages would not be levied for this period.

2.12.4 At the option of Corporation, the Order may be cancelled. Such cancellation, would be without any liability whatsoever on the part of the corporation. In the event of such cancellation, Supplier shall refund any amount advanced or paid to him by the corporation and return any materials issued to him by the corporation and release facilities, if any provided by the corporation.

2.13 Cancellation of Order:

The Corporation reserves the right to cancel the Order in part or in full by giving two weeks notice thereby if:

- The Supplier fails to comply with any of the terms of the Order.
- The Supplier becomes bankrupt or goes into liquidation.
- The Supplier makes general assignment for the benefit of the creditors and
- Any Receiver is appointed for the property owned by the Supplier.

FORM OF INSURANCE SURETY BOND FOR BID SECURITY

Insurance Surety Bond No .....

Date:

To: (Name and address)

1. In consideration of the Andhra Pradesh Power Generation Corporation Limited (An enterprise of the Government of Andhra Pradesh) (hereinafter referred to as 'APGENCO' which expression shall unless repugnant to the context or meaning thereof, include its successors and permitted assigns) incorporated under the Indian Companies Act, 1956 read with subsequent amendments and Act(s) and having its registered office at Vidyut Soudha, Gunadala, Vijayawada, Andhra Pradesh,India-520004 having agreed to exempt _____ (Name of the Tenderer/Vendor/ Contractor/Supplier) having its registered office at_____ (hereinafter called the said Tenderer/ Contractor which term includes Supplier),under the terms and conditions of the Tender Notification No....., Dated....., payment of EMD of Rs_____ (Rupees _____only) is payable part of EMD for the due fulfillment by the said Tenderer/Contractor of the terms and conditions contained in the said Tender for _____(name of the work), on production of a Surety Bond for Rs. _____(Rupees_____only). At the request of..... [Tenderer/Contractor] We, ..., (hereinafter referred to as the "Surety Insurer"), having Registered/Head office at ..... and a branch at ..... being the Guarantor under this Surety Bond, do hereby irrevocably and unconditionally undertake to forthwith and pay to the APGENCO as our primary obligation without any delay or demur, merely on your first demand and without reference to the Bidder, if the Bidder fail to fulfil or comply with all or any of the terms and conditions of the above tender notification any sum or sums up to a maximum amount but not exceeding Rs _____ (Rupees----------only).
2. Any such written demand made by the APGENCO stating that the Bidder is in default of the due and faithful fulfillment and compliance with the terms and conditions contained in the Bidding Documents shall be final, conclusive and binding on the Surety Insurer.
3. We, the Surety Insurer, do hereby unconditionally undertake to pay immediately the amounts due and payable under this Surety Bond without any demur, reservation, recourse, contest or protest and without any reference to the Bidder or any other person and irrespective of whether the claim of the APGENCO is disputed by the Bidder or not, merely on the first demand from the APGENCO stating that the amount claimed is due to the APGENCO by reason of failure of the Bidder to fulfil and comply with the terms and conditions contained in the Bidding Documents including failure of the said Bidder to keep its Bid open during the Bid validity period as set forth in the said Bidding Documents for any reason whatsoever. Any such demand made on the Surety Insurer shall be conclusive as regards amount due and payable by the Surety Insurer under this Surety Bond. However, our liability under this Surety Bond shall be restricted to an amount not exceeding Rs._____ (Rupees _____ only)
4. This Surety Bond shall be irrevocable and remain in full force for a period of 270 (two hundred and seventy) days from the Bid Due Date or for such extended period as may be mutually agreed between the APGENCO and the Bidder, and agreed to by the Surety Insurer, and shall continue to be enforceable till all amounts under this Surety Bond have been paid.

5. We, the Surety Insurer, further agree that the APGENCO shall be the sole judge to decide as to whether the Bidder is in default of due and faithful fulfillment and compliance with the terms and conditions contained in the Bidding Documents including, inter alia, the failure of the Bidder to keep its Bid open during the Bid validity period set forth in the said Bidding Documents, and the decision of the APGENCO that the Bidder is in default as aforesaid shall be final and binding on us, notwithstanding any differences between the APGENCO and the Bidder or any dispute pending before any Court, Tribunal, Arbitrator or any other Authority.
6. In order to give effect to this Surety Bond, the APGENCO shall be entitled to act as if the Surety Insurer were the Principal Debtor and any/Change in the constitution of the Contractor and/or the Surety Insurer, whether by their absorption with any other body or corporation or otherwise, shall not in any way or manner affect the liability or obligation of the Surety Insurer under this Surety Bond.
7. In order to give full effect to this Surety Bond, the APGENCO shall be entitled to treat the Surety Insurer as the principal debtor. The APGENCO shall have the fullest liberty without affecting in any way the liability of the Surety Insurer under this Surety Bond from time to time to vary any of the terms and conditions contained in the said Bidding Documents or to extend time for submission of the Bids or the Bid validity period or the period for conveying acceptance of Letter of Award by the Bidder or the period for fulfillment and compliance with all or any of the terms and conditions contained in the said Bidding Documents by the said Bidder or to postpone for any time and from time to time any of the powers exercisable by it against the said Bidder and either to enforce or forbear from enforcing any of the terms and conditions contained in the said Bidding Documents or the securities available to the APGENCO, and the Surety insurer shall not be released from its liability under these presents by any exercise by the APGENCO of the liberty with reference to the matters aforesaid or by reason of time being given to the said Bidder or any other forbearance, act or omission on the part of the APGENCO or any Indulgence by the APGENCO to the said Bidder or by any change in the constitution of the APGENCO or its absorption, merger or amalgamation with any other person or any other matter or thing whatsoever which under the law relating to sureties would but for this provision have the effect of releasing the Surety Insurer from its such liability.
8. Any notice by way of request, demand or otherwise hereunder shall be sufficiently given in writing if addressed to the Surety Insurer and sent by courier or by registered post or by certified e-mail to the Surety Insurer at the address or e-mail set forth herein.
9. We undertake to make the payment immediately on receipt of your notice of claim on us addressed to name of Surety Insurer along with branch address and delivered at our above branch who shall be deemed to have been duly authorized to receive the said notice of claim.
10. It shall not be necessary for the APGENCO to proceed against the said Bidder before proceeding against the Surety Insurer and the Surety Bond herein contained shall be enforceable against the Surety Insurer, notwithstanding any other security ,which the APGENCO may have obtained from the said Bidder and which shall, at the time when proceedings are taken against the Surety Insurer hereunder, be outstanding or unrealized.
11. We, the Surety Insurer further undertake not to revoke this Surety Bond during its currency except with the previous express consent of the APGENCO in writing.
12. The Surety Insurer declares that it has power to issue this Surety Bond and discharge the obligations contemplated herein, the undersigned is duly authorized and has full power to execute this Surety Bond for and on behalf of the Surety Insurer.
13. The Surety Insurer declares that this Insurance Surety Bond is issued by the (name of Insurance Company) as per the applicable rules and regulations of Insurance Regulatory Development Authority of India (IRDAI).

14. For the avoidance of doubt, the Surety Insurer's liability under this Surety Bond shall be restricted to Rs. _____ (Rupees _____ only). The Surety Insurer shall be liable to pay the said amount or any part thereof only if the APGENCO serves a written claim on the Surety Insurer in accordance with paragraph 9 hereof, on or before _____ [** (indicate date falling 270 days after the Bid Due Date)].
15. This Surety Bond shall also be operatable at our , branch at , from whom, confirmation regarding the issue of this Surety Bond or extension/renewal thereof shall be made available on demand. In the contingency of this Surety Bond being invoked and payment hereunder claimed, the said branch shall accept such invocation letter immediately and make payment of amounts so demanded immediately under the said invocation.
16. The Insurance Surety Bond shall be verifiable from the specific portal created for this purpose.

FORM OF INSURANCE SURETY BOND

[Performance Security/Additional Performance Security/
Advance Payment Security]

Insurance Surety Bond No ..... Date:

To:

(Name and address)

In consideration of the Andhra Pradesh Power Generation Corporation Limited(An enterprise of the Government of Andhra Pradesh) (hereinafter referred to as 'APGENCO' which expression shall unless repugnant to the context or meaning thereof, include its successors and permitted assigns) incorporated under the Indian Companies Act, 1956 read with subsequent amendments and Act(s) and having its registered office at Vidyut Soudha, Gunadala, Vijayawada, Andhra Pradesh, India-520004 has agreed to accept upon request of _____ (Name of the Contractor/Supplier/Vendor) having its registered office at _____ (hereinafter called the said Contractor/ Supplier/ Vendor) this Surety Bond No._____, Dt._____ for making payment without effecting recovery of ___% of the value of Contract/ Agreement/Purchase Order/Work Order towards Performance Security/Additional Performance Security/Advance Payment Security for the satisfactory fulfilment of the Contract/ Agreement/ Purchase Order/Work Order under the terms and conditions of the Contract/ Agreement/Purchase Order/ Work Order No._____, Dated _____ made between the APGENCO and _____ (Name of the Contractor/Supplier/Vendor) for supply /commissioning/ rendering services/ execution of work _____(name of the work) (herein after called 'the said Contract/ Agreement/Purchase Order/Work Order'),on production of a Surety Bond for Rs. _____ (Rupees_____only).

AND WHEREAS we, _____ ("Surety Insurer") through our branch at _____ have agreed to furnish this Surety Bond by way of Performance Security/Additional Performance Security/Advance Payment Security.

NOW, THEREFORE, the Surety Insurer hereby, unconditionally and irrevocably, guarantees and affirms as follows:

1. The Surety Insurer hereby unconditionally and irrevocably guarantees the due and faithful performance of the Contractor's obligations during the Contract Period/ Warranty period/Defects Liability Period under and in accordance with the Contract, and agrees and undertakes to pay immediately to the APGENCO, upon its mere first written demand, and without any demur, reservation, recourse, contest or protest, and without any reference to the Contractor, such sum or sums up to an aggregate sum of the Surety Bond Amount as the APGENCO shall claim, without the APGENCO being required to prove or to show grounds or reasons for its demand and/or for the sum specified therein.
2. A letter from the APGENCO, officer not below the rank of Chief Engineer/APGENCO that the Contractor has committed default in the due and faithful performance of all or any of its obligations under and in accordance with the Contract shall be conclusive, final and binding on the Surety Insurer. The Surety Insurer further agrees that the APGENCO shall be the sole judge as to whether the Contractor is in default in due and faithful performance of its obligations during and under the Contract and its decision that the Contractor is in default shall be final and binding on the Surety Insurer, notwithstanding any differences between the APGENCO and the Contractor, or any dispute between them pending before any court, tribunal, arbitrators or any other authority or body, or by the discharge of the Contractor for any reason whatsoever.
3. In order to give effect to this Surety Bond, the APGENCO shall be entitled to act as if the Surety Insurer were the Principal Debtor and any/Change in the constitution of the Contractor and/or the Surety Insurer, whether by their absorption with any other body or corporation or otherwise, shall not in any way or manner affect the liability or obligation of the Surety Insurer under this Surety Bond.

4. It shall not be necessary, and the Surety Insurer hereby waives any necessity, for the APGENCO to proceed against the Contractor before presenting to the Surety Insurer its demand under this Surety Bond.
5. The APGENCO shall have the liberty, without affecting in any manner the liability of the Surety Insurer under this Surety Bond, to vary at any time, the terms and conditions of the Contract or to extend the time or period for the compliance with, fulfillment and/ or performance of all or any of the obligations of the Contractor contained in the Contract or to postpone for any time, and from time to time, any of the rights and powers exercisable by the APGENCO against the Contractor, and either to enforce or forbear from enforcing any of the terms and conditions contained in the Contract and/or the securities available to the APGENCO, and the Surety Insurer shall not be released from its liability and obligation under these presents by any exercise by the APGENCO of the liberty with reference to the matters aforesaid or by reason of time being given to the Contractor or any other forbearance, indulgence, act or omission on the part of the APGENCO or of any other matter or thing whatsoever which under any law relating to sureties and guarantors would but for this provision have the effect of releasing the Surety Insurer from its liability and obligation under this Surety Bond and the Surety Insurer hereby waives all of its rights under any such law.
6. This Surety Bond is in addition to and not in substitution of any other Surety Bond or security now or which may hereafter be held by the APGENCO in respect of or relating to the Contract or for the fulfillment, compliance and/or performance of all or any of the obligations of the Contractor under the Contract.
7. Notwithstanding anything contained herein before, the liability of the Surety Insurer under this Surety Bond is restricted to the Surety Bond Amount and this Surety Bond will remain in force for the period specified below and unless a demand or claim in writing is made by the APGENCO on the Surety Insurer under this Surety Bond all rights of the APGENCO under this Surety Bond shall be forfeited and the Surety Insurer shall be relieved from its liabilities hereunder after the date mentioned.
8. The Surety Bond shall cease to be in force and effect on _____Unless a demand or claim under this Surety Bond is made in writing before expiry of the Surety Bond, the Surety Insurer shall be discharged from its liabilities hereunder.
9. The Surety Insurer undertakes not to revoke this Surety Bond during its currency, except with the previous express consent of the APGENCO in writing, and declares and warrants that it has the power to issue this Surety Bond and the undersigned has full powers to do so on behalf of the Surety Insurer.
10. Any notice by way of request, demand or otherwise hereunder may be sent by courier, registered post or certified e-mail addressed to the Surety Insurer at its above referred branch or e-mail set forth herein, which shall be deemed to have been duly authorized to receive such notice and to effect payment thereof forthwith, and if sent by post it shall be deemed to have been given at the time when it ought to have been delivered in due course of post and in proving such notice, when given by post, it shall be sufficient to prove that the envelope containing the notice was posted and a certificate signed by an officer & the APGENCO that the envelope was so posted shall be conclusive.
11. This Surety Bond shall come into force with immediate effect and shall remain in force and effect for up to the date specified above or until it is released earlier by the APGENCO pursuant to the provisions of the Contract.
12. The Surety Insurer declares that this Insurance Surety Bond is issued by the ..... (name of Insurance Company) as per the applicable rules and regulations of Insurance Regulatory Development Authority of India (IRDAI).
13. This Surety Bond shall also be operatable at our _____, branch at _____, from whom, confirmation regarding the issue of this Surety Bond or extension/renewal thereof shall be made available on demand. In the contingency of this Surety Bond being invoked and payment hereunder claimed, the said branch shall accept such invocation letter immediately and make payment of amounts so demanded under the said invocation.

14. The Insurance Surety Bond shall be verifiable from the specific portal created for this purpose.

In witness where of Signed and sealed this Surety Bond on this _____Day _____(month) of 2024 at_____.
