Restrictions on procurement from a bidder of a country which shares a land border with India.

I. Any bidder from a country which shares a land border with India will be eligible to bid in this tender only if the bidder is registered with the Competent Authority.

II. "Bidder" (Seller / Service Provider) means any person or firm or company, including any member of a consortium or joint venture (that is an association of several persons, or firms or companies), every artificial juridical person not falling in any of the descriptions of bidders stated hereinbefore, including any agency branch or office controlled by such person, participating in a procurement process.

III. "Bidder from a country which shares a land border with India" for the purpose of this Order means: -

a. An entity incorporated, established, or registered in such a country; or
b. A subsidiary of an entity incorporated, established, or registered in such a country; or
c. An entity substantially controlled through entities incorporated, established, or registered in such a country; or
d. An entity whose beneficial owner is situated in such a country; or
e. An Indian (or other) agent of such an entity; or
f. A natural person who is a citizen of such a country; or
g. A consortium or joint venture where any member of the consortium or joint venture falls under any of the above.

IV. The beneficial owner for the purpose of (iii) above will be as under:

1. In case of a company or Limited Liability Partnership, the beneficial owner is the natural person(s), who, whether acting alone or together, or through one or more juridical person, has a controlling ownership interest or who exercises control through other means. Explanation—
    a. "Controlling ownership interest" means ownership of or entitlement to more than twenty-five per cent. of shares or capital or profits of the company;
    b. "Control" shall include the right to appoint majority of the directors or to control the management or policy decisions including by virtue of their shareholding or management rights or shareholders agreements or voting agreements;
2. In case of a partnership firm, the beneficial owner is the natural person(s) who, whether acting alone or together, or through one or more juridical person, has ownership of entitlement to more than fifteen percent of capital or profits of the partnership;
3. In case of an unincorporated association or body of individuals, the beneficial owner is the natural person(s), who, whether acting alone or together, or through one or more juridical person, has ownership of or entitlement to more than fifteen percent of the property or capital or profits of such association or body of individuals;
4. Where no natural person is identified under (1) or (2) or (3) above, the beneficial owner is the relevant natural person who holds the position of senior managing official;

5. In case of a trust, the identification of beneficial owner(s) shall include identification of the author of the trust, the trustee, the beneficiaries with fifteen percent or more interest in the trust and any other natural person exercising ultimate effective control over the trust through a chain of control or ownership.

V. An Agent is a person employed to do any act for another, or to represent another in dealings with third person.

VI. The successful bidder shall not be allowed to sub-contract works to any contractor from a country which shares a land border with India unless such contractor is registered with the Competent Authority.

Any false declaration and non-compliance of the above would be a ground for immediate termination of the contract and further legal action in accordance with the laws.

8. If it is a manual tender- the Technical and financial bid covers shall be listed and put into a bag to be sealed according to Purchaser's procedure. The sealed bag of technical and financial bids shall be in custody of a designated officer for opening after evaluation of Pre-qualification bids. Thereafter, Technical bids of qualified bidders will be opened, keeping financial bid in sealed bag. Finally, financial bids of those bidders will be opened who are short listed in technical evaluation.
9. In case of composite bid – technical and financial bids combined together, first technical evaluation will be done followed by financial evaluation of only those bids, which have qualified in technical evaluation.

10. Any participating vendor may depute a representative to witness these processes.
11. The standard procedure, described here will stand appropriately modified, in view of special procedures of bid evaluation as mentioned in tender call or elsewhere in this bid document or Purchaser may deviate from these in specific circumstances if it feels that such deviation are unavoidable, or will improve speed of processing and consequent project execution.

E.26. Opening of bids:

1. Bids will be opened on the e-Procurement website at the scheduled time & date as specified.
2. Purchaser's contact person shall open the pre-qualification bid, after the bid closing time and list them for further evaluation. After evaluation of Pre-Qualification bids, the technical bids of only those bidders who qualify in Pre-qualification will be opened. Similarly, the financial bids of only those bidders who qualify in technical evaluation will be opened.
3. The bidders names, bid modifications or withdrawals, discounts, and the presence or absence of requisite bid security and such other details as the APTS officer at his/her discretion, may consider appropriate, will be announced at the opening.
4. No bid shall be rejected at bid opening, except for late bids, which shall be returned unopened (in case of physical submission).
5. Bids that are not opened and read out at bid opening shall not be considered further for evaluation, irrespective of the circumstances. Withdrawn bids will be returned unopened to the bidders (in case of physical submission).
6. The bids submitted by telex/telegram/fax/e-mail etc. shall not be considered. No correspondence will be entertained on this matter.
7. The Purchaser shall not be responsible for any postal delay or non-receipt/ non- delivery of the documents. No further correspondence on the subject will be entertained.

E.27. Preliminary examination of Bids

1. Preliminary scrutiny will be made to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the bids are generally in order.
2. Prior to the detailed evaluation, APTS will determine the substantial responsiveness of each bid to the bidding documents. For purposes of these clauses, a substantially responsive bid is one which conforms to all the terms and conditions of the bidding documents without material deviations.
3. If a bid is not substantially responsive, it will be rejected by the APTS and may not subsequently be made responsive by the bidder by correction of the nonconformity.
4. Initial Bid scrutiny will be held and incomplete details as given below will be treated as non- responsive. If Proposals;
    a. Are not submitted in as specified in the RFP document
    b. Received without the Letter of Authorization (Power of Attorney)
    c. Are found with suppression of details

d. With incomplete information, subjective, conditional offers and partial offers submitted
e. Submitted without the documents requested in the checklist
f. Have non-compliance of any of the clauses stipulated in the RFP
g. With lesser validity period

5. All responsive Bids will be considered for further processing as below.
6. < Purchaser> will prepare a list of responsive Bidders, who comply with all the Terms and Conditions of the Tender. All eligible bids will be considered for further evaluation by a Committee according to the Evaluation process define in this RFP document. The decision of the Committee will be final in this regard.
7. Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected. If the vendor does not accept the correction of the errors, its bid will be rejected, and its bid security may be forfeited. If there is a discrepancy between words and figures, the amount in words will prevail.
8. Purchaser may waive any minor informality, nonconformity or irregularity in a bid which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any bidder.

E.28. EMD Validity:

1. The EMD will be scrutinized first for the amount and validity period. The bids submitted with required EMD amount and validity only be considered for the evaluation. The bids submitted with insufficient EMD amount/validity will be treated as disqualified bids and those bids will not be considered for further evaluation.
2. The EMD should be submitted in the form of BG or through online payment only.
3. Scanned copy of EMD document should be uploaded on e-Procurement website. The Original EMD should be submitted to APTS before 5 pm of next working day after bid closing day or as specified in Bid Data Sheet.

E.29. Bid validity:

The offer submitted by the Bidders should be valid for minimum period of days as mentioned in Bid data Sheet from the date of submission of bid. If required, purchaser may ask the bidder to extend the bid validity along with the extension of the EMD validity. Failure to extend the bid validity and EMD validity will be treated as non-responsive and will not be considered for further evaluation.

E.30. Seeking Clarifications on received bids

During evaluation of the bids at any stage, Purchaser may, at its discretion, ask the bidder for clarification of its bid. The clarifications should be submitted within the time period specified. Failure to submit the parameters requested in the clarifications, Purchaser will treat that there is nothing to provide from bidder's end and APTS will proceed with evaluation as per submitted documents.

E.31. Evaluation of Pre-qualification bids:

The Pre-qualification bid documentation shall be evaluated in two sub-steps.

a) Firstly, the documentation furnished by the vendor shall be examined prima facie to see if the technical skill base and financial capacity and other vendor attributes claimed therein are consistent with the needs of this project.
b) In the second step, APTS may ask vendor(s) for additional information, visit to vendors site and/or arrange discussions with their professional, technical faculties to verify claims made in Pre-qualification bid documentation.

E.32. Evaluation of Technical bids:

Technical bid documentation shall be evaluated in two sub-steps.

a) Firstly, the documentation furnished by the vendor shall be examined prima facie to see if the product /services offered, technical skill base and financial capacity and other vendor attributes claimed therein are consistent with the needs of this project.
b) In the second step, APTS may ask vendor(s) for additional information, visit to vendors site and/or arrange discussions with their professional, technical faculties to verify claims made in technical bid documentation.
c) Bidders who meet the pre-qualifications/eligibility requirements would be considered as qualified to move to the next stage of Technical and Financial evaluations.

1. The Purchaser, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Vendor, may terminate the Contract in whole or in part:
    a. if the Vendor fails to deliver any or all of the Goods/services within the time period(s) specified in the contract, or within any extension thereof granted by the Purchaser pursuant to Clause F.25 or
    b. if the Vendor fails to perform any other obligation(s) under the Contract or
    c. if the Vendor, in the judgment of the Purchaser has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.
2. In the event the Purchaser terminated the contract in whole or in part, Purchaser may procure, upon such terms and in such manner as it deems appropriate, goods or services similar to those undelivered, and the Vendor shall be liable to the Purchaser for any excess costs for such similar goods or services. However, the Vendor shall continue performance of the contract to the extent not terminated.

F.37. Force majeure

1. The Vendor shall not be liable for forfeiture of its performance security, liquidated damages, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.
2. For purposes of this clause, "Force Majeure" means an event beyond the control of the Vendor and not involving the Supplier's fault or negligence and not foreseeable. Such events may include, but are not restricted to, acts of the Purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.
3. If a Force Majeure situation arises, the Vendor shall promptly notify the Purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the Purchaser in writing, the Vendor shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

F.38. Termination for insolvency

Purchaser, may at any time terminate the contract by giving 30 days written notice to the Vendor if the Vendor becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the Vendor, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the Purchaser.

F.39. Termination for convenience

1. Purchaser, may at any time by giving 30 days written notice to the Vendor, terminate the Contract, in whole or in part, for its convenience. The notice of termination shall specify that termination is for the Purchaser/Purchaser's convenience, the extent to which performance of the Vendor under the Contract is terminated, and the date upon which such termination becomes effective.

2. The goods that are complete and ready for shipment within thirty (30) days after the vendor's receipt of notice of termination shall be accepted by the Purchaser at the contract terms and prices. For the remaining Goods, the Purchaser may elect to have any portion completed and delivered at the contract terms and prices at its discretion.

F.40. Resolution of disputes

1. Purchaser and Vendor shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the contract.
2. If, after thirty (30) days from the commencement of such informal negotiations, the Purchaser and the Vendor have been unable to resolve amicably a contract dispute, either party may require that the dispute be referred for resolution to the formal mechanisms specified here in. These mechanisms may include, but are not restricted to, conciliation mediated by a third party.
3. The dispute resolution mechanism shall be as follows:
   In case of a dispute or difference arising between the Purchaser and the Vendor relating to any matter arising out of or connected with this agreement, such disputes or difference shall be settled in accordance with the Arbitration and Conciliation Act, of India, 1996.

Section G – Special Conditions of Proposed Contract (SCC)

G.1. Delivery and Installation period:

Bidder shall deliver the goods/services, install and commission the same within the period of 06 weeks from the PO date.
